For vacant units where an owner-applicant may apply for and receive a rehabilitation or accessory apartment loan pursuant to this chapter, the owner shall agree to provide all necessary documents and a verification as outlined in this section, for prospective occupants, so as to adequately demonstrate compliance with all local and state regulations cited herein. An owner-applicant is a person who owns a housing structure proposed for rehabilitation, or a building proposed for an accessory apartment, and is applying to create a rental unit.

D. Affordability controls shall be clearly identified in the application package, and shall be in conformance with this chapter and **COAH's Rules N.J.A.C. 5:93-9**. A sample deed restriction and/or rehabilitation loan agreement shall be supplied to the applicant.

E. Supporting documents shall be submitted evidencing proof of ownership.

**F. Applications shall be considered in the order in which they are received by the Township.**

§ 199-44**15**. Application procedures.

A. Filing. All interested applicants may obtain an application package from the **Administrative Agent** ~~Township Clerk~~. Questions as to income eligibility or administrative procedures may be directed to the **Administrative Agent** ~~Township Clerk~~. Assistance regarding unit eligibility, accessory apartment standards, scope of work, and obtaining cost estimates will be provided by the Construction Code Official. The Construction Code Official and **Administrative Agent** ~~Township Clerk~~ shall arrange for special times to make themselves available to assist the public, which shall include daytime and evening hours. All completed applications shall be presented to the **Administrative Agent** ~~Township Clerk~~.

B. **Administrative Agent's** ~~Township Clerk's~~ review.

(1) The **Administrative Agent** ~~Township Clerk~~ shall, within five business days, review the application to determine its completeness and the income level of the applicant. If the applicant's income exceeds the eligibility standard, the applicant will be so notified and a confirming letter shall be kept in the file. If the application is complete and the stated income level is eligible, the **Administrative Agent** ~~Clerk~~ shall transmit a copy of the package to the Construction Code Official for review. Thereafter, the **Administrative Agent** ~~Clerk~~ shall verify the income with the applicant's employer on the forms provided. Once verified, the Clerk shall so notify the Construction Code Official.

(2) For vacant units, the owner need not be income eligible, but he or she shall provide adequate documentation at the time of occupancy that the sales price or rental rate is affordable as defined in this chapter, and that the prospective occupants are income eligible.

C. **Township Planner's and** ~~Construction Code Official's and Planning Board/Zoning Board of Adjustment~~ review.

(1) The Construction Code Official shall review the application package, and within 10 business days of receipt of same, shall (with the Tax Assessor) arrange for an inspection of the property. For rehabilitation proposals, he shall prepare a work write-up that details the unit's substandard characteristics and scope of work, all of which shall be in compliance with this chapter. A copy of the work write-up shall be sent to the applicant within 10 days of the inspection. The Construction Code Official shall prepare an in-house cost estimate to be kept in the file confidentially, until a contractor's proposal for the rehabilitation work is received. The applicant shall obtain at least one contractor's estimate (typical time frame of 10 business days) and return same to the Construction Code Official. If the Construction Code Official finds that the estimate is within 10% of his estimate, he shall prepare a recommendation for funding to be sent

to the **Administrative Agent** ~~Township Clerk~~ for inclusion on the Township Committee's agenda. If the estimate is too high or too low, the applicant may elect to obtain a new estimate, or may request the contractor to meet with the Construction Code Official to resolve the discrepancy.

(2) For proposed accessory apartments, the **Township Planner** ~~Planning Board or Zoning Board of Adjustment, as the case may be,~~ shall review the application for conformance with the zoning standards established in § 199-8 of this chapter and Chapter 400, Zoning, and provide its findings to the Construction Code Official and Township Committee. The Construction Code Official shall review the findings of the ~~Planning Board/Zoning Board of Adjustment~~ **Township Planner**, the proposed plot plan and the construction plan for conformance with the construction standards in § 199-8. The applicant shall submit a cost estimate for the proposed scope of work for review by the Construction Code Official. If the **Township Planner** ~~Planning Board/Zoning Board of Adjustment~~ and the Construction Code Official find that the proposed accessory apartment complies with the standards of § 199-8, and that the estimate is within 10% of the Construction Code Official's independent estimate, then the Construction Code Official shall prepare a recommendation for funding to be sent to the **Administrative Agent** ~~Township Clerk~~ for inclusion on the Township Committee's agenda. If the standards of § 199-8 are not met, then the Construction Code Official shall prepare a report for the applicant and Township Committee identifying the standards which are not satisfied.

D. Township Committee authorization. Recommendations for funding shall be sent by the Construction Code Official to the Municipal Housing Liaison for inclusion on the agenda of the Township Committee. If all program criteria have been met, the Committee shall approve the funding of the improvements for the funds reserved for the program and shall authorize the Township Attorney to prepare a rehabilitation ~~or accessory apartment,~~ **or market to affordable** loan agreement and deed restriction **or lien** so as to ensure that a lien position may be held by the Township. The work may then be authorized by the Construction Code Official as provided in § 199-22. ~~The rehabilitation~~ **For rehabilitation projects, the** loan principal shall include only capital costs. Administrative expenses to be budgeted (such as the inspection costs, attorney's fees, and processing expenses incurred by the Municipal Housing Liaison) shall be paid by the Township and not charged to the borrower. For any two-year period, the average capital expense (hard cost) for units in the rehabilitation program shall be \$10,000, and the Township Committee may authorize the expenditure of up to \$30,000 on a rehabilitated unit. The Township Committee shall provide at least \$20,000 ~~to subsidize the creation of each moderate-income accessory apartment or~~ \$25,000 to subsidize the creation of each low-income accessory apartment. **The Township Committee shall provide \$30,000 to subsidize the creation of a low-income market-to-affordable unit.**

E. Inspections. **For rehabilitation and accessory apartment projects,** the Construction Code Official shall periodically inspect the premises during construction. Payments will be made to the contractor at 50% performance (40% of the cost) and upon completion (the balance due). Change orders shall require approval by the Township Committee if additional funding is required beyond the contract amount. Otherwise, applicant and Construction Code Official concurrence shall be the only necessary authorization. Upon completion, the Construction Code Official shall issue a completion report to the **Administrative Agent** ~~Township Clerk~~ stating that the work has been undertaken in conformance with the program, this chapter, and the applicable codes, and that the unit has been brought up to compliance with the relevant housing or building code for rehabilitated units, or the relevant accessory apartment standards for new accessory apartments.

F. Reports to the Township Committee. At least quarterly, the **Administrative Agent** ~~Township Clerk~~ shall report the program's progress to the Committee, including an accounting report supplied by the Chief Financial Officer/Treasurer as to funds expended. The report shall

state the status of units under review or under construction, and the efforts which will be undertaken to meet program goals in the future. **Every two years, with the first report being due in August 2019**, Annually, the **Administrative Agent** Clerk shall file a progress report with the Council on Affordable Housing **and Fair Share Housing Center**.

Article V. Affordability Controls

§ 199-~~45~~**16**. General requirements.

A. In accordance with N.J.A.C. 5:973-9, all units assisted under this chapter shall be subject to resale and rent affordability control for the periods outlined herein. Should the terms as authorized by N.J.A.C. 5:973-9 be amended as provided by law, then this chapter may be amended and the Township Committee may at its discretion take such steps as necessary to amend any loan agreement or deed restriction, with the consent of the owner.

B. At the time an application for a unit(s) is approved by the Township Committee, each household in occupancy must be income eligible as set forth in Article III whether an owner-applicant or a renter-applicant. Owners of vacant units must agree to rent or sell the unit to an income eligible low- or moderate-income household when the rehabilitation or accessory apartment is completed **or when the market-to-affordable unit is funded**. In approving the rehabilitation of vacant units, the Township Committee shall attempt to assure that at least 50% of such vacant units are reserved for low-income households.

C. The owner shall provide a certification verifying that the proposed rent level complies with this chapter and COAH rules.

§ 199-~~46~~**17**. Terms.

A. Owner-occupied rehabilitated units. Units which are owner occupied shall be subject to affordability controls for a term of **ten years** ~~six years from the date a completion report is filed by the Construction Code Official with the Township Clerk~~. At that time, the Township Clerk **Administrative Agent** shall advise the Township Attorney to file the deed restriction **lien** effectuating the rehabilitation loan agreement as hereinafter set forth.

B. Renter-occupied rehabilitated units. Units which are occupied by renter households shall be subject to affordability controls for a period of 10 years from the date a completion report is filed by the Construction Code Official with the **Administrative Agent** ~~Township Clerk~~. At that time, the **Administrative Agent** ~~Township Clerk~~ shall advise the Township Attorney to file the deed restriction effectuating the rehabilitation loan agreement as hereinafter set forth. **If a unit is renter-occupied, upon completion of the rehabilitation, the maximum rate of rent shall be the lesser of the current rent or the maximum permitted rent pursuant to N.J.A.C. 5:97-9 and UHAC**

C. Vacant rehabilitated units.

(1) At the time a vacant unit is approved for funding by the Township Committee, the owner shall elect either to sell or to rent the unit when rehabilitation is completed. If the unit is to be sold, it shall be sold to an income eligible low- or moderate-income household based on the following standards:

(a) Sales units shall be priced so that the sales price is affordable to households based on a factor of no more than 28% of gross income being paid for principal, interest, taxes, and insurance with a 10% down payment and a mortgage at prevailing interest rates at the time the application is approved. Controls shall be in effect for six years.

(b) Rental units shall be rented to income eligible household based on no more than 30% of gross income paid for rent, including utilities. Controls shall be in effect for 10 years.

(2) At the time a vacant unit has been rehabilitated and a completion report issued, the Attorney shall file the loan agreement in the manner provided in § 199-22 below. The agreement **and deed restriction** shall contain provisions requiring that, as a condition of sale or rent of the

vacant unit, the owner shall provide the **Administrative Agent** Township Clerk with documentation and the **Administrative Agent** Clerk shall verify that the proposed purchaser or renter household meets the income criteria established in this chapter, i.e. that the household is either low-income or moderate-income and that the sales price or rent level is affordable as low- or moderate-income housing, all in accordance with the occupancy designation of the unit as set forth in § 199-15. The **Administrative Agent** Township Clerk shall provide the owner with approval or disapproval based upon the criteria in this chapter for making such determinations. Until a satisfactory determination is reached, any certificate of occupancy shall be considered conditional in regard to substantiation of compliance with this chapter. Once the **Administrative Agent** Township Clerk certifies approval, a copy shall be forwarded to the Construction Code Official, who shall issue the full certificate of occupancy, provided all work-related items have been completed satisfactorily.

D. Accessory apartments.

(1) ~~Of the maximum of 10~~ **The one** accessory apartment created, ~~three~~ shall be subject to affordability controls for a term of at least 10 years from the date a completion report is filed by the Construction Code Official with the **Administrative Agent** Township Clerk. ~~The remaining seven accessory apartments shall be subject to affordability controls for a term of at least 30 years from the date a completion report is filed by the Construction Code Official with the Township Clerk, in accordance with N.J.A.C. 5:93-5.9(d). On the remaining seven units the Township can reduce the period of affordability controls from at least 30 years to at least 10 years for good cause.~~

(2) Vacant accessory apartments, for which no tenant is available at the time of filing the completion report, shall be subject to the same conditions of the loan agreement concerning income eligibility of the proposed renter household as are outlined in Subsection C.

§ 199-47**18**. Rehabilitation and accessory apartment loan agreements.

At such time as the Township Committee approves an application for assistance (funding) under this chapter **for a rehabilitation or accessory apartment**, it shall be with the condition that the amount of funding for capital costs or soft costs paid to the applicant shall be the subject of a rehabilitation loan agreement, whereby the owner agrees to be bound by this chapter and the following terms:

A. General terms. The rehabilitation or accessory apartment loan shall be for the full amount of funds borrowed by the applicant to cover the cost of the repairs to each eligible unit, whether from Township funds or other funding sources as may be available through this program. The loan shall stipulate that interest shall only accrue on the principal according to the terms outlined in Subsection D. Payments on principal shall only be due upon sale or refinancing of the unit(s), except as outlined below in Subsections C, D and E.

B. Terms for owner-occupied rehabilitated units. Owners of owner-occupied units shall generally continue to reside in the unit for ~~six~~ **ten** years. If the unit is sold during the ~~six~~**ten**-year period, the loan shall be assumable only if the purchaser is an income eligible low- or moderate-income household. If, during the ~~six~~**ten**-year term, the unit is sold to a non-income eligible household, the loan and all accrued interest (determined as specified in Subsection E) shall be repaid in full as a condition of the sale. The Township will then offer the same assistance to another unit within the Township. At the end of the ~~six~~**ten**-year period, the loan principal shall be repaid in full, except that if the owner remains an income-eligible household and continues to live in the unit, the payment may be deferred. In said event, a new agreement shall be executed stipulating these conditions.

C. Terms for renter-occupied rehabilitated units. Owners of renter-occupied units shall agree to rent the unit to an income eligible household for the full ten-year term. Any future owner of such

units shall be bound by this restriction, and the loan shall be assumable. At the end of the ten-year period, the loan principal shall be repaid in full, except that if the owner agrees to continue renting to income-eligible households, the payment may be deferred. In said event, a new agreement shall be executed stipulating these conditions.

D. Terms for accessory apartments.

~~——(1)——~~ Owners of renter-occupied accessory apartments shall agree to rent the unit to an income eligible household for the full ten-year term. For units with a ten-year loan agreement, the loan shall be repaid in full at the end of the ten-year period, together with accrued interest, except that if the owner agrees to continue renting to income eligible households, the payment may be deferred. In said event, a new agreement shall be executed stipulating these conditions. The loan may not be prepaid during the initial ten-year period.

~~(2)——~~ For units with a thirty-year loan agreement, the loan shall be forgiven in full at the end of the thirty-year period. After 10 years, no additional interest shall accrue, and commencing after the 11th year 5% of the principal and previously accrued interest shall be forgiven each year. The loan may not be prepaid during the initial thirty-year period.

E. Premature termination. In cases where the rehabilitation or accessory apartment loan agreement must be terminated prematurely due to court action, bankruptcy or good cause as may be established by rules and regulations of an appropriate federal or state agency, before the expiration of the time period in the agreement required by this chapter or COAH regulations as revised, the amount of the loan principal is to be paid in full together with accrued interest determined as follows:

~~——(1)——~~ For a six-year loan terminated in its first year, simple interest at a rate per annum equal to the prime rate at Citibank of New York plus 2%. For a six-year loan terminated thereafter, the rate per annum for the entire period will be the first year's rate reduced by 20% for each full year that the loan has been outstanding until after five full years when the rate shall be 4%.

~~——(2)——~~ For a ten-year loan terminated in its first year, simple interest at a rate per annum equal to the prime rate at Citibank of New York plus 2%. For a ten-year loan terminated thereafter, the rate per annum for the entire period will be the first year's rate reduced by 10% for each full year that the loan has been outstanding until after nine full years when the rate shall be 1%.

~~——(3)——~~ For a thirty-year loan terminated in its first year, simple interest at a rate per annum equal to the prime rate at Citibank of New York plus 2%. For a thirty-year loan terminated thereafter, the rate per annum for the entire period will be the first year's rate reduced by 3.3% for each full year that the loan has been outstanding until after 29 full years when the rate shall be 4%.

§ 199-18**19**. Rental of an owner-occupied *rehabilitated* unit.

An owner who decides to rent a *rehabilitated* unit which was owner-occupied at the time the application was approved shall only be permitted to rent the unit to an income eligible household in accordance with the standards contained in § 199-16C(1)(b) above. The controls shall be extended and the loan agreement modified so as to extend the term thereof to 10 years from the date of the filing of the completion report, in accordance with § 199-17C above.

**SECTION 2:** Chapter 400 entitled "Growth-Based Affordable Housing" is amended and supplemented as follows:

Article VIII. ~~Growth-Based Affordable Housing Production~~

§ 400-57. Residential development requirements.

In any zone within the Township where affordable housing is a permitted use:

A. Any development of five or more new residential dwelling units **shall provide at least 15 percent of the units in rental developments as affordable units and 20 percent of all units in for-sale developments as affordable units with at least 50 percent being affordable low income households, including 13 percent in rental developments being affordable to very-low income households with all such affordable units, including the required bedroom distribution, be governed by controls on affordability and affirmatively marketed in conformance with the Uniform Housing Affordability Controls ("UHAC") N.J.A.C. 5:80-26.1 et seq. or any successor regulation, and all other applicable law.** ~~shall provide that not less than 20% of the dwelling units shall be affordable dwelling units subject to controls on affordability and occupancy in accordance with the rules and regulations of the New Jersey Committee on Affordable Housing (COAH). Residential development providing at least the 20% set aside of affordable dwelling units as required herein shall not be subject to the payment of the affordable housing development fee.~~

B. In the event the number of units is not a multiple of five, and the number does not round up, the developer shall pay the affordable housing development fee for the increment of the market units that are not subject to the set aside. For example, if a residential development is approved for 12 units, two of the 12 units to be constructed must be affordable and the remaining 10 may be market rate. The developer must also pay the affordable housing development fee on two market units. If the development is instead approved for 13 units, the required set aside will be rounded up and three of the 13 units shall be affordable. The developer in "rounded-up" developments will not be responsible to pay any affordable housing development fee.

C. **Pursuant to N.J.A.C. 5:97-6.4,** ~~Residential developments of four or fewer residential dwelling units shall not be required to make a payment in lieu or provide for an affordable housing set-aside.~~ ~~satisfy the affordable housing requirement by the payment of an in-lieu fee in accordance with N.J.A.C. 5:94-4.4(b)(1) and this article.~~

D. In accordance with § 400-62 below, the Township may approve the construction of affordable units required by the development identified above on an off-site location or through an alternative mechanism to produce affordable units within the Township, provided the mechanism is authorized by COAH regulations. The developer shall present its planned method of affordable housing compliance to the Township or its designee at the time of filing an application for development approval. Municipal approval of the off-site construction of affordable units or the

use of an alternative mechanism shall be conditioned on Township Committee endorsement of the proposed method of affordable housing compliance. ~~The permissible mechanisms include, but are not limited to:~~

- ~~\_\_\_\_\_ (1) Construction of affordable units off-site, provided that the developer demonstrates, and the Township determines, that the off-site location is within the Township and is appropriately zoned for residential development. The developer shall further demonstrate to the satisfaction of the Township that the off-site location is approvable, suitable, and developable for affordable housing.~~
- ~~\_\_\_\_\_ (2) Participation in a Township-sponsored buy-down program for sales units pursuant to N.J.A.C. 5:94-4.10.~~
- ~~\_\_\_\_\_ (3) Participation in a Township-sponsored rental program pursuant to N.J.A.C. 5:94-4.11.~~
- ~~\_\_\_\_\_ (4) Participation in a Township-sponsored program to create affordable accessory apartments pursuant to N.J.A.C. 5:94-4.9.~~

- ~~\_\_\_\_\_ (6) Providing a payment to the Township in lieu of constructing the affordable units on site. The amount of the payment in lieu of constructing the affordable units on site shall be negotiated between the developer and the Township, and the payment shall only be used to fund eligible affordable housing activities within the Township in accordance with N.J.A.C. 5:94-4.4.~~

***E. A developer of a tract of land zoned for multi-family purposes may not subdivide the tract into two or more lots for the purpose of avoiding the affordable housing set-aside required by this Ordinance.***

***F. All the provisions of this Ordinance are subject to the provisions of the Settlement Agreement which is incorporated herein as if set forth in length, the applicable provisions of UHAC, COAH Rules, the Fair Housing Act N.J.S.A.52:27D301 et seq. and the Township's Housing Element and Fair Share Plan or any successor regulation, and all other applicable law.***

§ 400-58. Payment of development fee.

In any zone within the Township where affordable housing is not a permitted use, developers shall pay the development fee in accordance with Chapter 110, Affordable Housing, Article I, Development Fee.

~~§ 400-59. Nonresidential development requirements.~~

~~All new nonresidential development in any zoning district shall be required to provide affordable housing constructed at the ratio of at least one affordable unit for every 25 new jobs created as a result of the proposed nonresidential development project. The calculation of the number of jobs created shall be in accordance with Appendix E of N.J.A.C. 5:94-1 et seq., entitled "UCC Use Groups for Projecting and Implementing Nonresidential Components of Growth Share." The provision of the affordable unit(s) required shall be through on-site construction, through the creation of affordable units off-site, or through a payment in lieu of construction.~~

§ 400-~~60~~**59**. Payments in lieu of construction.

If no pro formas are available the developer shall prepare one, which shall be subject to review and approval by the Township staff. The actual payment in lieu of construction made by the developer may be negotiated with the Township considering the actual land cost of the site(s) identified for~~

~~affordable housing construction elsewhere within Lebanon Township or the substitution of land, site preparation and/or construction services for all or a portion of the monetary payment otherwise required.~~

B. Regardless of the mechanism selected by the developer for satisfying the required number of affordable housing units, any development or portion thereof that generates a fraction of an affordable housing unit as all or a portion of the obligation shall under any circumstances be required to make a payment in lieu of construction for that fraction of a unit based on the prorated cost of constructing an affordable housing unit in Lebanon Township.

~~§ 400-6160.~~ Construction of affordable housing on site.

A. As to affordable housing units constructed on site within a residential development:

(1) The affordable housing units may be provided within single-family dwellings, duplex buildings, triplex buildings or quadriplex buildings designed to resemble as nearly as possible the single-family homes otherwise being constructed within the development to accommodate the market units. Unless precluded by another ordinance, such buildings shall be deemed to be permitted uses in the underlying zone when created for the purpose of meeting the growth share obligation.

(2) No density bonus shall be granted for the construction of the affordable housing units on-site, but the affordable housing units themselves shall not be included in the calculation of density for the purposes of this section.

(3) The lots within the development may be reduced in area and width to 20% of the area and width otherwise required in the zone in order to accommodate the construction of the affordable housing units on one or more lots on the same tract. All required setbacks, building height and coverage limits for the zone shall be met on all lots.

(4) All affordable units shall comply with COAH's Rules pertaining to the phasing, integration, low-/moderate-income split, controls on affordability, bedroom distribution, affirmative marketing, heating source and administration of the affordable units, ~~as set forth in N.J.A.C. 5:94-4.4 and elsewhere in the Rules.~~

B. As to affordable housing units constructed on site within a nonresidential development:

(1) Affordable housing units may be constructed within or converted from space above the first-floor level in nonresidential buildings or may be constructed in a separate building or buildings on the same site as a permitted nonresidential use or development, subject to site plan review by the Planning Board. Residential or mixed-use buildings containing up to eight affordable housing units each shall be considered to be permitted uses in all nonresidential zoning districts in Lebanon Township, notwithstanding any other provision of this chapter to the contrary.

(2) All required setbacks, building height and coverage limits for the zone shall be met on nonresidential lots containing affordable housing units, except that, for the purposes of accommodating walkways and parking for the affordable units, the maximum lot coverage on any lot containing affordable units may be increased by up to 20% more than the coverage limit otherwise allowed on the lot.

(3) In computing the required parking for any mixed use development containing affordable housing units, consideration shall be given to shared parking opportunities.

(4) All affordable units shall comply with COAH's Rules pertaining to the phasing, integration, low-/moderate-income split, controls on affordability, bedroom distribution, affirmative marketing, heating source and administration of the affordable units, as set forth in N.J.A.C. 5:94-4.4 and elsewhere in the Rules.

~~§ 400-6261.~~ Creation of affordable housing units elsewhere within Lebanon Township.

- A. Developers electing to create affordable housing units elsewhere within Lebanon Township may do so within existing buildings of Lebanon Township, as set forth and regulated herein.
- B. Within all residential zones other than the RC, R-5, and R-3 Residential Zones in Lebanon Township, the reconstruction and conversion of any dwelling from a single- or two-family dwelling into a building containing up to three dwellings in which all such dwelling units are deed restricted for affordability to and occupancy by low- and moderate-income households shall be permitted as of right, subject to meeting all other requirements of this section, notwithstanding any other provision of this article to the contrary.
- C. No individual dwelling shall be smaller than 550 square feet.
- D. All affordable units shall comply with COAH's Rules pertaining to the phasing (with the market units being constructed elsewhere by the same developer), low-/moderate-income split, controls on affordability, bedroom distribution, affirmative marketing, heating source and administration of the affordable units, ~~as set forth in N.J.A.C. 5:94-4.4 and elsewhere in the Rules.~~
- E. All required setbacks, building height and coverage limits shall be met on the lot, except that, for the purposes of accommodating patios (but not decks) and parking for the affordable units, the maximum lot coverage on any lot containing affordable units shall be a maximum of 30% of the lot area and except further that existing setback deficiencies and other nonconformities of the lot and/or building may be continued without the need for additional variances.
- ~~§ 400-6362.~~ Other requirements.
- A. The use of any of the foregoing mechanisms for providing affordable housing within Lebanon Township shall be limited to the provision of non-age-restricted rental affordable housing units in compliance with all of COAH's Rules ~~set forth at N.J.A.C. 5:94-1 et seq.~~
- B. The Planning Board shall have the jurisdiction to consider the grant of a waiver from the foregoing to permit age-restricted or for sale housing where the Board finds that granting such a waiver would be more appropriate to the context of the development or to the location and nature of the affordable housing unit(s) being created. The Planning Board shall consider the Township-wide impacts of such a deviation upon the adopted and COAH-certified Housing Element and Fair Share Plan before approving any such waiver.
- C. A proposed affordable housing production plan shall be submitted to the Planning Board at the time application is made for any development requiring growth-based affordable housing production pursuant to this section. This plan shall be a condition of the "completeness" determination. All affordable housing production plans shall be the subject of review by the Planning Board's Planner for consistency with COAH's Rules and with the Township's certified third round Housing Element and Fair Share Plan. Compliance with all of the terms of COAH's Rules and with the approved affordable housing production plan shall be a condition of development plan approval and may be covered by appropriate performance and maintenance guarantees as with any other required improvement.
- D. Where an odd number of low- and moderate-income housing units are required to be provided, the majority of the units shall be low-income units. Where there are an insufficient number of affordable units provided to meet the bedroom distribution requirements of COAH's Rules, the first unit shall be a two-bedroom unit, the second unit shall be a three-bedroom unit and the third unit shall be a one-bedroom unit. Otherwise, the bedroom distribution shall be in strict accordance with COAH's Rules. It shall be the developer's responsibility, at its sole cost and expense, to contract with a COAH-approved and Township-designated experienced entity for the

initial and ongoing administration of the controls on affordability so as to ensure full COAH compliance. The designated administrative entity shall, by February 1 of each year, and as needed throughout the year, file with the Township Clerk of the Township of Lebanon such certifications, reports and/or monitoring forms as maybe required by COAH to verify the continuing compliance of each affordable unit with COAH's Rules.

E. Inclusionary residential developments constructed in any zones hereafter designated for inclusionary development shall be exempt from the requirements of this section. Moreover, developments covered by this section shall be exempt from the payment of development fees pursuant to any Development Fee Ordinance adopted by the Township.

**SECTION 3.** All Ordinances or parts of Ordinances inconsistent herewith are repealed as to such inconsistencies.

**SECTION 4.** If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

**SECTION 5.** This Ordinance shall become effective following its final passage and publication as required by law.
