

RALPH BLECK MEMORIAL SCHOLARSHIP

May 2006

Dear Friends of Ralph Bleck,

Many people have been looking for a special long-lasting way to honor the life of Ralph Bleck and his love for Lebanon Township and its people. A group of his friends are establishing an annual \$500 scholarship to memorialize Ralph by recognizing a creative Woodglen School eighth grader who exemplifies some of the outstanding qualities of Ralph Bleck: creativity, leadership, initiative, wit, and commitment to, and love of, Lebanon Township. The recipient will be formally recognized at Woodglen School's award assembly, and will receive the monetary award in the spring of his/her high school senior year. The winner will have creatively demonstrated:

"Why Lebanon Township Is A Great Place In Which To Live"

Donations of any amount are being accepted under the administration of the Lebanon Township Education Foundation. The scholarship may increase if the donations allow. Please make your checks payable to the Lebanon Township Education Foundation with a notation indicating the Ralph Bleck Memorial Scholarship.

Please send all contributions to:

Lebanon Township Education Foundation

We hope this scholarship will keep Ralph's memory and spirit alive for many years to come, and will follow Ralph's lead by encouraging creativity and love of community. Thank you for your kind consideration. Please feel free to pass this letter on to others who cared for Ralph and who may be interested in contributing.
