

The Township of Lebanon will be implementing modified restrictions in our Parks in order to protect the health, safety and welfare of Township Employees, Volunteers and members of the general public effective immediately and are as follows:

- 1. All Township run parks will be open for regular hours for non-group recreation such as walking, running, and individual walking of animals, all to be done while practicing the recommended social distancing of staying at least six (6) feet away from each other.**
- 2. All organized group activities in the parks remain canceled until further notice.**
- 3. The township will continue to reevaluate the use of its parks and may modify this policy in accordance with the current executive orders.**
