A Day in the Park

In the six years since it began, a Day in the Park has become the township's premier event, bringing together friends and neighbors and offering fun, entertainment, and activities for all ages. This year it's back – bigger and better than ever – so mark your calendars for Saturday, September 29 from 12:00 to 5:00 PM (rain date Sunday, September 30) and join the fun!

Once again, the event will feature great local bands for a day of non-stop music. In addition to the tunes, there will be great food – and lots of it. Local restaurants will be serving up chicken Caesar wraps and salads, sausage and peppers and pizza. The park folks will be grilling burgers and dogs. Plus, there will be plenty of cold drinks, ice cream, Italian ice, popcorn, and cotton candy. Township bakers will be offering their best for the pie contest and tasting as well as the Cake Walk.

In addition to food and music, there will be plenty of activities to keep everyone busy and happy. Kids will enjoy pumpkin painting, sand art, moon bounce, face painting, animals, Touch-a-Truck, and more. Adults will enjoy displays by local crafters and businesses, 50/50 raffle, and the return of the birdhouse auction. Once again, resident artists and crafters will give their personal touch to birdhouses that attendees can bid on and win.

Admission is once again \$5.00 per person. The event is made possible by Friends of Memorial Park and many community volunteers. Proceeds from the day will make further development of Memorial Park possible. Come out, support Memorial Park, and enjoy a great, fun, fall day!

First Aid Squad

Volunteerism is Serious Business

Your squad wants you to know that we are committed to providing free emergency medical care to our community, but we need your help now more than ever.

The United States Bureau of Labor Statistics reports that volunteerism is at an all-time low, as are donations to charitable organizations, leaving many of the organizations struggling to provide services. Nationwide, 61.2 million people, or only 26.7% of the population, volunteered at least once last year. Only 8.1% volunteered for a health related organization. This drop follows a ten year downward trend. It also draws attention to a shift in attitude toward services provided by charitable organizations. A growing number of taxpayers feel that these services should be provided by the government and funded through their tax dollars.

The Lebanon Township First Aid Squad is an all-volunteer, private, non-profit organization providing free emergency medical care within our community. We save taxpayers over a million dollars each year in both medical fees and operation cost. The squad survives exclusively on donations from township residents.

We cover the township 24 hours a day, seven days a week. We answered 575 calls last year, including 134 medical emergencies, 63 traumas, 25 motor vehicle accidents, 25 heart attacks, 25 respiratory calls, 11 strokes and 7 cardiac arrests. We also covered athletic games and events for Voorhees High School 19 times. Every time the fire alarm rings, we are alerted and are there to back up our fire company. Last year, we answered 113 fire calls. Our vehicles logged in a total of 757 hours and 187 miles. Our average response time was 6.95 minutes. Yet this wasn't enough. Some of our calls went to mutual aid last year. Our call volume is rising every year and we need more volunteers to become EMTs and drivers to continue our mission. But, volunteers willing to become EMTs and drivers are not all we need.

Squad members worked a total of 2011 hours last year on calls. Volunteer EMTs are held up to the same standards that professional EMTs are held to, completing a 120 hour basic course and then taking additional course hours to maintain their certification. Our EMTs and drivers commit themselves to one duty night a week and cover one weekend a month, meaning on average they give 100 hours of volunteer time to the squad a month. The squad is in desperate need of people to volunteer for a couple of hours a week to do everything from light office work to basic building maintenance, so our EMTs are not further burdened by these tasks. Whatever your skill set, the squad needs you.

Unfortunately, manpower is not all we need. We are on a tight budget. To fully equip an EMT costs roughly \$5,000. A pager costs \$900 and a radio costs \$1,500. We also purchase all of our supplies for the ambulances. An average ambulance costs \$100,000 to \$150,000. In the past, the Township has helped us purchase our vehicles, but we are financially responsible for maintaining them. The state recommends that ambulances be replaced every five years and requires that paid EMS companies replace their vehicles every 12 years. Currently, our oldest vehicle is 23 years old. Our building is also in need of some major upgrades and repairs.

Please help us continue our mission of providing free emergency medical care to the community. Don't let volunteerism become a thing of the past. If you value your squad, please volunteer some of your time or make a donation. For information, contact the squad at (908) 638-6851, e-mail us at info@19rescue.org, visit us at www.19Rescue.org, or drop by our monthly meetings the second Monday of the month.

Recreation Commission

On Friday, July 27, the Recreation Commission, along with the Memorial Park Committee and Camp Bernie, hosted a Family Beach Bash at Memorial Park. Hot dogs, drinks, snow cones and popcorn were provided and attendees brought salads and desserts to share. Kids participated in a sand castle building contest, visor decorating and shell painting.

Music was provided by Paradise DJ's from 5:00 - 9:00, after which Camp Bernie, despite the **extreme weather**, showed the movie *Harry and the Hendersons* under the pavilion.

Tickets were \$20.00 per family and all proceeds went to Memorial Park. Despite the rain, thunder and very impressive lightening, a great time was had by all!

Historians

A Look back at our Heritage ...

By Ralph Lomerson

Lebanon Township Historian

This news article is from a scrapbook put together by a Mr. Strope of South Hunterdon County. The newspaper is unknown. The year was 1896.

A Costly Dividing Line

Stubborn Townships that refused to pay \$2.50 for the care of a road forced to expend \$3,000.00

Lebanon Township, N.J., August 14, 1896

Good old "Uncle Jimmie Fritts" is chuckling to himself exultantly. "Well," he says, "if they had listened to me and accepted my terms, it would have saved \$3,000.00! But they didn't, and so that's the cost."

Uncle Jimmie lives on a little cross road at Pleasant Grove. The entire length of the road is about seventy-five rods, and it is never traveled over much. He has cared for it for years, repairing it in the Spring and Autumn, and shoveling the snow from it in the Winter. He has always considered that it lies in Lebanon, and that was the common opinion. Two years ago the Lebanon Township Committee laid out their work for the season, and for the first time in many years the cross road came up for attention. The discussion was protracted, and finally the committee refused to assume the care of the road, because, in their opinion, it was not in the township at all, but in the township of Washington, Morris County. The town authorities of Washington resented this at once. They protested that they had nothing to do about the road, and advised Lebanon to mind her own business.

Lebanon responded that it had cared for the other town's road as long as it should. Then it was that Uncle Jimmie came forward as peacemaker. To stop the quarrel, he offered to keep the road in repair for the nominal sum of \$2.50 a year. Neither township would agree to assume even this trifling expense, and an appeal was made to the New Jersey Legislature. Lebanon is in Hunterdon County, and Washington in Morris County, and to settle the dispute it was necessary to order the running anew of the county lines, and the monumenting of the same.

This work has occupied several months, and is now completed. The two counties will divide between them the expense, aggregating \$3,000.00, or 1,200 times what the Pleasant Grove farmer agreed to settle the dispute for, and the engineers show that the road belongs, after all, to both towns.

The road in question is the present day Hollow Brook Road. Only the section from Pleasant Grove road to the intersection of Skytop Road was involved. The monuments are still there, 6 inches wide by 9 inches long and 13 inches high, made of granite, an H on the Hunterdon County side, and an M, for Morris County, on the other side.

Louise Sliker Memorial

The Louise Sliker Memorial is now complete. The memorial is a park bench with a plaque detailing Louise's name, dates and contribution to Lebanon Township. The bench can be viewed at the Lebanon Township Memorial Park.

The Historians would like to thank all who contributed to this memorial.
