MEMORIAL PARK SHOWCASES CLASSIC CARS FOR 9TH SUNDAY IN THE PARK CAR SHOW

On Sunday, September 7 from 9:00 AM until 3:00 PM, Memorial Park will once again become home to hundreds of hot rods and classic cars during the 9th Annual "Sunday in the Park" Car Show. The show boasts a wide variety of cars, trucks, and motorcycles including antique cars, street rods, stock and muscle trucks and cars, custom cars, and classic cars like Corvettes, Mustangs, Camaros and Firebirds; there are 20 classes in all. To complement the cars, the day includes contests, music, food (breakfast and lunch), and people's choice judging of cars. Admission is free to those who wish to check out the cars. If you have a car you'd like to show, registration is \$12 before September 1 and \$15 the day of the show. All proceeds benefit Memorial Park. In the event of rain, the show will be held the following week on Sunday, September 14. For more information, visit the township website or www.sundayinthepark.net.

"DAY IN THE PARK" Promises Afternoon of Music, Food, and Fun

Now in its 7th year, "Day in the Park" will bring an afternoon of affordable family fun to Memorial Park on Saturday, September 20 from noon to 5:00 PM. (rain date Sunday September 21). As always, the highlight of the event is non-stop music from a variety of local bands. This year, the music will include a set from a local high school band. In addition to the music, attendees will be able to enjoy delicious food from local restaurants Ono Rosa and Casola's, homemade pies from area bakers, great grilled fare (BBQ ribs!) from the park committee, cold beverages, and treats like ice cream, ices, and popcorn. The event will also offer a variety of fun activities – some old favorites and some new this year. Crafters and vendors will once again sell their wares from the Day in the Park market. Attendees can bid on beautifully decorated birdhouses at the annual birdhouse auction, take a chance on a lucky 50-50 ticket, or enjoy a leisurely hayride – new this year! And an enhanced children's area will provide many activities such as pumpkin painting, tattoos, craft projects, Touch-a-Truck, team demonstrations, and more to keep the kids busy. Admission to the day's festivities is \$5.00 per person and all proceeds will fund continuing park development at Memorial Park.

Fire Department

Home Fire Safety

Home fire safety means keeping your family and home safe from the devastations of fire. Home fire safety should always be a top priority and is almost entirely about prevention. A little bit of prevention can go a long way. There are very simple steps you can take to promote fire safety in your home:

1. Make sure there is a working smoke detector in each room
2. Keep your valuables in a fire-proof safe
3. Keep flammable and dangerous items out of the reach of children
4. Create a fire evacuation plan and practice it with the entire family, including children
5. Make sure all exits are easily accessible - debris, garbage and other obstacles can prevent people from getting out and prevent rescue workers and fire fighters from getting in
6. Make sure your children have a clear understanding of what to do in case of a fire and what to do if their clothes or hair catch on fire

Home fire safety is an easy thing to promote. It only takes some simple, common-sense precautions, fresh batteries, and a clear plan.

Fire Fighters Needed

Who was the First Volunteer Fire Chief of America?

Along with founding a newspaper, signing the Declaration of Independence and flying famous kites, Benjamin Franklin is also known for forming the first volunteer fire company in America. That's right! In 1736, in Philadelphia, Pennsylvania, Benjamin Franklin formed the first volunteer fire company called the Union Fire Company. Of course, it's only fitting that he be Fire Chief of the new fire company ... and so he was!

First Aid Squad

Save A Life – Volunteer at the First Aid Squad

The First Aid Squad, located at 528 West Hill Road, is looking for volunteers. The squad serves the majority of the township, plus Voorhees High School, Hagedorn Psychiatric Hospital and several other special needs facilities. Members do multiple standbys at the high school throughout the year, including the home varsity football games.

People who join now can enroll in the next EMT course. The squad provides necessary training and equipment, beginning with CPR and automated external defibrillator classes, followed by the 120 hour EMT schooling. Members may then opt to participate in advanced training, such as vehicle extrication, confined spaces, structural collapse and water rescue. Anyone age 16 and over may join and the squad has a cadet program for teenagers.

If medical calls aren't your thing, don't be daunted about helping in some other way. The squad needs people with business, accounting and administrative experience to help out in the office, and mechanics and handymen to help maintain the vehicles and the First Aid Squad building.

For more information, stop by the squad building during one of our monthly meetings the second Monday of each month at 7:30 PM, visit www.19rescue.org, e-mail info@19rescue.org or call (908) 638-6851.

Thanks!

As our fund drive winds down, the officers and members of the Lebanon Township First Aid Squad would like to thank all those who contributed this year. If you haven't yet contributed, please consider doing so. As the students at Valley View School have shown with their annual Penney Drive for the squad, even the smallest amount makes a difference. We are grateful for their hard work in collecting their pennies.

The squad is a private non-profit free emergency medical service. We only serve the people of Lebanon Township. We rely almost exclusively on donations from the community for our operation expenses. Our audits and information about the squad can be found at www.19rescue.org.

Watch Out For School Buses

On the way to work in the morning, every second counts. But is saving a minute worth killing a child?

More and more commuters have been taking that chance, according to Donna Ader, an EMT with the Lebanon Township First Aid Squad and a bus driver and office assistant for the Hunterdon County Education Services Commission, which provides bus service to Glen Gardner, North Hunterdon High School, and Union and Franklin Townships' school districts. "A lot of vehicles will do anything to get in front of the bus," she

said, including passing a bus with its red lights flashing.

Drivers run the flashing yellow school bus lights or blatantly pass the bus when it is stopped with the red lights on and its stop sign sticking out. Ms. Ader considers picking up and dropping off children "the scariest part of the job. There have been a number of close calls."

When a driver passes a bus, the only recourse is for the bus driver to take down the offender's license plate number, file a complaint and go to court. This is easier said than done. "It's hard to get a license plate as they are flying by you at 50 mph or even more," said Ms. Ader. "I wish the drivers on the road would treat the bus like their child was riding on it."

Drivers not following the rules around school buses have always been a problem. "Everyone is in a hurry. It's rush, rush, rush. Some people are not paying attention and some people are just clueless," she said. When drivers see that a bus is coming to a stop, "it's just like the traffic light. They think they can beat it."

The law is clear: On a non-divided highway, if a bus is receiving or discharging children, cars must stop 25 feet from the stationary bus on both sides of the road. On divided highways, cars must stop on the same side as the bus and on the opposite side they must slow down to 10 mph. A first offense can cost a driver \$100 or more, 15 days in jail and/or 15 days of community service and 5 points on his or her license.

To help keep our children safe, pay attention to the school buses and if you see someone passing a school bus with its red lights flashing, call 9-1-1 and report it.

First Aid Squad Survey

This Fall, the First Aid Squad will be conducting a survey of the township residents to collect data to aid in shaping how the First Aid Squad continues to handle Emergency Medical Services in the township.

The survey can be completed on-line, at www.19rescue.org. It is timed to take less than five minutes to complete. If you cannot access the online survey, please pick up a paper copy from the side door at the First Aid Squad. The survey will run from the beginning of August until the end of September.

We ask that every household participate. This survey will play a vital role in how emergency medical services are handled in our township.

Any questions, comments, or problems, please feel free to call the station at (908) 638-6851 or email Info@19rescue.org.

Thank you for your time and assistance.

Bunnvale Library

Our Summer Reading Programs for children and adults were again very popular this year. Spurred by the success of last year's inaugural event for adults, the Hunterdon County Library System offered its second annual program from June-August, 2008. Dozens of adults from Bunnvale participated. More than 70 children, from preschoolers through sixth graders, also enrolled and earned prizes for achieving their reading goals. The program culminated in a celebration on August 22, with refreshments, award certificates and special prizes.

Thanks to our very generous and creative community, a number of unique displays are much admired at the library. In August, Andrew and Anna Babiuk-Murray showed their model car collection. September features Doris Terris' pastels and watercolors. For October, Kara Drake offers her collection of Wonder Woman. In November, Lois Deutsch's students at the Hunterdon Learning Center present their ceramics and arts projects.

Fall Story Time for preschoolers continues on Fridays from 1:00-2:00 PM, beginning on September 19. The minimum age is two years old. Pre-registration is required.

As always, we offer a diverse collection of fiction, nonfiction, audio books, DVDs, reference materials, and public-accessible computers, copy and fax machines. We can research and fulfill special requests, and are open to suggestions/recommendations to better serve you. So come see what is under our new (as of June) roof!

New County Parks Open in Township Miquin Woods and Crystal Springs

Two new County parks have opened in our township in the past year. These parks are part of a tremendous state, county and Lebanon Township municipal effort to preserve the headwaters of Spruce Run Creek. Spruce Run Creek is one of only three waterways that flow into Spruce Run Reservoir, which provides clean, healthy, drinking water to families in four counties. You can find more information about the parks at www.co.hunterdon.nj.us/depts/parks/guides/parkareas.htm or call the County Parks Department at (908) 782-1158.

Miquin Woods is located off of Newport Road and covers about 300 acres. Park your car in the grassy lot and hike or bicycle down the woodland trails; some of the trails will be great to cross-country ski if we get enough snow this winter. Don't forget your binoculars. Miquin means "feather" in Lenape and the park promises to be a great spot to see migrating spring and fall warblers as well as forest and grassland bird species. Spruce Run Creek runs through the park and feeds a small pond. Together they provide habitat for several kinds of aquatic amphibians, reptiles, large-mouth bass and sunfish.

You can find the new **Crystal Springs** section of Teetertown Preserve by driving down Pleasant Grove Road towards Washington Township. Look for a small green street sign on the left that says "47-51" and go to the end of that road. Park in the lot about 500 feet down the driveway on the right. The 233 acre park contains a great combination of mature forest, natural meadows and abundant water, which make this great habitat for many bird species which are declining in this area, such as Bobolink and Eastern Meadowlarks. Look for migratory ducks and herons on the five ponds, as well as frogs and turtles, but don't be shy about bringing your fishing rod! Be aware that there is active farmland at Crystal Springs. The county has a contract with one of our local farmers; remember to stay on the trails so he can have a good harvest!

A Look back at our Heritage ... By Ralph Lomerson Lebanon Township Historian

Lebanon Township to hold Gay Event SLABTOWN SCANDALS August 1943

An entertainment to provide funds for equipment for the Lebanon Township Canteen Corps will be held on September 11, 1943, Eugene L. Sharrer, Chairman of that municipality's Defense Council announced Tuesday. The affair will be held at Mount Lebanon Grange's picturesque ninety year old church structure on the hilltop back of Anthony Road.

A buffet supper, prepared and served by the newly organized Canteen Corps, which boasts a dozen of the best cooks in the township, will be a feature of the night. Seating arrangements and decorations will be in the style of the fashionable New York supper clubs, lively entertainment and music for dancing will be provided. All talent will be local.

SCANDALS Set Record at Mount Lebanon Grange Hall

Long promised and widely heralded SLABTOWN SCANDALS Saturday night attracted a crowd that jammed Mount Lebanon Grange Hall and its lawn with more than a capacity crowd. If the SCANDALS are not soon repeated, and made an annual north Hunterdon event, it will not be because the throng failed to show appreciation of a good show.

Proceeds from the affair go to the Canteen Corps of the Lebanon Township Defense Committee to be used in connection with the Corp's war work. Mrs. Bland Gaynor, Chairman of the Corps, together with her husband, Leonard Gaynor, wrote the original songs and skits for the SCANDALS.

Crowd Kept Coming

The program started with a buffet supper. Everything went along with military precision, but the crowd refused to stop coming. The hall was packed to capacity, a line waited at the door and cars jammed the road a mile back. Everyone was served however, and after tables were removed the last ticket holder got through the doors and was given a seat.

Talent was 100 per cent local. The first act opened with "Battle Song of the Mountain Men," by Lloyd Smith. Dr. Herbert Wykle gave a recitation, pretty Miss Betsy Barns gave a cape and ballet dance. Michael and Peter Antonow offered a swell instrumental specialty. Then came a side-splitter number in which the following courageous fellows imitated their spouses at "a very important meeting": Ellsworth Schuster, Charles Goeger, Eugene Sharrer, George D. Polt, George and Lawrence Bolz,

Leonard Gaynor and "Sunbeam Goeger". (Sunbeam was a rooster from the chicken farm of Charles Goeger, located at the intersection of Anthony Road and Woodglen Road.) The first act ended with a pretty number by Lois MacDonald and the chorus, consisting of Hilda Lanning, Marie Polt, Jean Hixon, Tessie Bodner, Pauline Bodner and Barbara Bowers.

The second act opened with a piano solo by Robert Kuebler, a dance by Miss Barnes, a number by Dr. Wykle and "Nancy" (a dog), a song by Lois MacDonald, and "Slabtown Sal" by George Bolz, Lawrence Bolz, George Polt and chorus. Costumes were by Mrs. Gaynor, dance routines by Miss Barns, Mrs. Oscar Goeger and Mrs. Anna Polt handled the wardrobes, Mrs. John Schuster was door manager and Mrs. Hazel Barns was stage manager.

Supper was prepared and served by Chairman, Bland Gaynor and Lieutenants, Cora Hand, Grace Beha, Isabel Schuster, Esther Hopson, Rand Hupp, Mary Friars, Hettie Wilson, Ruth Lomerson, Edna Laffan and Josephine Rogers. Other services were performed by: Aids, Caroline Bleck, Mildred Lomerson, Elizabeth Angell, Cecelia Sharrer, Barbara Young and Elizabeth Smith; Headwaiter, Putnam MacDonald; Cider Bar, Frank Laffan; Busboys Donald Sliker, Leroy Williams and Franklin O'Rourke; Check Girl, Mary Jenkins; Police guards, Stewart Rogers and Arthur Blaizer; Sound Men, James Waters, Dan O'Donnell and Braxton Barns.

Historian note: Slabtown was another name for the Newport section of Lebanon Township in the latter part of the 1800's because there were two saw mills located there.

Two Township Residents Receive Eagle Scout Awards

On June 4, 2008, the Mayor and Township Committee issued proclamations to congratulate Kyle Anastasio and Mike Gaykowski, Boy Scouts of America, Troop 92, for attaining the designation of Eagle Scout. Their Eagle Scout awards were presented to them at an Eagle Court of Honor Recognition Ceremony on June 8 at the Lebanon Township First Aid Squad.

As part of the requirements for their awards, both young men performed and successfully completed and passed the rigid requirements exacted to achieve an Eagle Scout Award. They each completed community service projects which will benefit township residents for years to come. Kyle planned and built 12 picnic tables for the Lebanon Township Memorial Park and Mike built a Welcome Center at the Teetertown Reserve at Mountain Farm.

We congratulate and commend both Kyle and Mike for their service and achievements.

**Volunteers Needed!
Calling all Gardeners**

Lebanon Township has various small gardens that require some maintenance during the spring, summer and fall seasons. If you can spare one or two hours several times a month to help with the gardening, it would be of great assistance. The gardens include the Laul Garden and the Richard Cudina Memorial in Memorial Park, the Municipal Building, Bunnvale Library, and the Museum.

Please consider volunteering and enjoying the company of fellow gardeners, master gardeners or beginning gardeners. Contact Georgia Cudina at (908) 832-1005 for further information.
