ZUMBA IN THE PARK

Mark your calendar! Kick off your weekend on the right foot. Join us at Memorial Park on **Friday, June 26** at 7:00 PM for a free Zumba class led by Yong Cedro and sponsored by the Recreation Commission.

Any new fitness venture can be intimidating at first. You may be wondering if it will be too hard, if you're too out of shape or won't be able to follow the moves. Intimidation is the opposite of what you'll find in a Zumba class. Whether you can bust a move like Beyonce or were born with two left feet, the dance floor is an even playing field.

This class is open to adults and children of all ages and ability levels. Please wear sneakers - class will be held on the grass. Join us for a night of fun and a serious dose of awesome! Contact Maria Naccarato with questions at (908) 223-7258 or email Maria.Naccarato@gmail.com.

FRIDAY NIGHT MOVIES IN THE PARK

Starting June 12 at 8:00 PM, our first movie of the season will be *BIG HERO SIX!* Bring your own chairs and blankets, and maybe a flashlight for the way out. The Cub Scouts will be selling popcorn, juice and candy. The sound system is phenomenal! A fire truck will be there after the movie is over to light the way out.

Mark these dates on your calendar for Movies in the Park this summer:

- June 12 - *Big Hero Six*
- July 10
- August 7
- September 11

Movie titles will be decided the month before and posted on the Lebanon Township, NJ Community Bulletin Board Facebook page and the Lebanon Township website at www.lebanontownship.net.

ANNUAL EASTER EGG HUNT

Our first event of the year, The Lebanon Township Easter Egg Hunt was an *EGG-cellent* event! On Saturday, March 29, over 100 kids came out to participate in the annual Easter egg hunt at Lebanon Township Memorial Park. Over 4,000 eggs, filled with toys and candy, were collected, as well as some "special prize" eggs in each age group. The Easter Bunny was on site for the event, as well as a DJ, who ran games, dances and contests for the kids. The Cub

Lebanon Township Community Green Team

Litter Free Lebanon Township

In April, community members came together to improve the quality of life in Lebanon Township. The Lebanon Township Community Green Team would like to thank the more than 70 volunteers who helped pick up litter along Township roads. It's amazing to see what small groups of people can accomplish when working together. These individuals have made a big impact on helping to keep our roads clean and free of trash. Top offenders included glass beverage bottles, beverage cans, plastic bottles, cigarette filters, and food wrappers.

Special thanks to the Hunterdon County Department of Solid Waste and Recycling Services for supplying the trash bags and gloves for our volunteers.

For more information on the Green Team and volunteer opportunities, please follow us on Facebook at <https://www.facebook.com/LTNJCommunityGreenTeam> or email LTGreenTeam@gmail.com.

Hangings in Hunterdon County

By Nina Savoia, Historian – Taken from
“Traditions of Hunterdon”, Lequear 1869-70

It is recorded that up to 1870, only three hangings were recorded in Hunterdon County: one James Vannata in 1794 for murder; one slave named Brown in 1803 for murder; and a very interesting story of a 14 year old slave boy named James Guise, also known as Little Jim.

Little Jim lived with an elderly lady, Mrs. Beaks, in Hopewell. He was idle and vicious. One day he asked Mrs. Beaks for a gun, which she refused to give him. Thereupon, he seized a three foot piece of horse yoke and struck the woman violent blows on the head, the prong of the yoke inflicting mortal wounds. His trial was held May 1, 1828. The jury brought in the verdict of “guilty in a manner and form as he stands indicted and, so we say all”. He was sentenced to be hanged on November 28, 1828 at Flemington.

But Little Jim in prison showed “all the fiendishness of disposition that characterized his former life. He would glare upon those who passed his cell with looks that made stout hearts quail.” It was reported that Little Jim would capture little mice that scampered across his cell floor with cat-like dexterity. One time he succeeded in capturing 13 mice. Twelve of the mice constituted a jury; the thirteenth, a darkly colored mouse, was forced to play the culprit. Afterwards, the dark mouse was declared guilty and his little body was found dangling from a string.

November 28, 1828 was a day of great excitement in our county. Thousands came to Flemington to witness the execution. At the road leading to Centre Bridge, the gallows stood. At ten o'clock the crowd was gathered around the spot. After intense excitement and a long wait, the sheriff and Little Jim appeared upon the scaffold. The hanging did not go smoothly and many people turned away in horror.

There were in 1790, 11,423 slaves in this state; many of them stolen from the coast of Guinea. The Guinea Negroes brought their superstitions with them and retained them. They believed in visitations from the dead and that wicked and violent deaths would produce spirits appearing in outlandish shapes.

Ghosts of Little Jim were seen in many places. In the forest, branches were heard murmuring, “Little Jim”. His form was seen running down the rocks of Goat Hill. He was seen at the Furman barn where his hearse was stabled, “in cap and shroud, his tongue protruding, his eyes glaring wilding like balls of fire.” His body was taken to Runk’s Mill where it laid for weeks and was the object of curious observation, especially by the drunks of the town. Eventually, the authorities ordered his body removed to Quakertown where it was “finished up” for a physician’s study.

Thus, the tale of Little Jim ends, or does it? Could it be he is still roaming the hills of Hunterdon?

Story Time in the Park

The Lebanon Township Historians will be holding *Story Time in the Park* again this summer. Last year, we had a great time sitting around picnic tables sharing stories with each other about things that have happened in the township.

Come share your stories this summer at Memorial Park from 3:00 to 5:00 PM on the following Sundays: June 28, July 26, and August 23.

Come tell us about things that happened at school or during the war, township heroes, how you spent your summers, the history of your house, how you survived the different storms that have hit our township, or anything else you would like to share about Lebanon Township. We want to preserve these stories for the next generation.

If you have any questions, please contact Joan at the Museum at (908) 537-6464, call our chairperson, Victor Hoffman, at (908) 638-5849, or friend us on Facebook at *Friends of the Lebanon Township Museum*.

From The Richard Cudina Memorial Committee ...

VETERANS MEMORIAL

Since our fight for independence, more than a million American soldiers have lost their lives to give us all the opportunity to choose our way of life. The Richard Cudina Memorial Committee felt that our soldiers also needed to be represented in Memorial Park. Our ideas became a reality with the help of a local citizen; we completed and dedicated the Veterans Memorial on May 30, 2010 with many Veterans and dignitaries in attendance.

The Memorial includes a walkway, the Veterans/Heroes Walk, that leads to a quiet oasis within the woodland where a bronze memorial plaque honors our Veterans. A stone bench holds a WWII helmet and boots representing the missing soldier.

The Richard Cudina Memorial Foundation maintains the 9/11 Memorial and the Veterans Memorial. To offset our maintenance costs, the pavers surrounding the memorial are available for purchase as a personalized tribute to a family member, friend or loved one who has served in the U.S. Armed Services. As a birthday gift, a father's or mother's day gift, or just to show your appreciation of your favorite veteran, a paver would be a wonderful and permanent memory in the Memorial.

If you wish to dedicate a paver for a veteran, please complete the form on the back of this page and send to: Richard Cudina Memorial, P.O. Box 565, Califon, New Jersey 07830. Additional forms are available at the Lebanon Township Municipal Building. The cost of each paver is \$85.00 and may be tax deductible. If you wish to instead make a much needed donation to help maintain these Memorials, please forward a check made payable to the Richard Cudina Memorial Foundation to the above mentioned address.

Please consider dedicating a Memorial paver for a veteran or a member of the Armed Services.
