## *Fire Department*

### **Pancake Breakfast**

The Lebanon Township Fire Department has been holding Pancake Breakfasts for over thirty years. This great tradition is held from 8:00 to 11:30 AM every second Sunday from October until June, at Station One on Anthony Road. The cost is \$6.00 for adults and \$4.00 for children under 10. All money raised supports the Lebanon Township Fire Department.

Directions to Station One on Anthony Road:

- From the A&P in Califon, follow Sliker Road until it turns into Anthony Road (bear left onto Anthony). Follow Anthony Road. Watch for signs; the Fire House will be on the left.
- From Point Mountain or Route 31, take Musconetcong

River Road (Route 645) to Hollow Road. At the top of the hill, turn right onto Anthony Road. Watch for signs; the Fire House will be on the left.

- From the Municipal Building or Hill Road, follow Red Mill Road to Newport Road. Make a right onto Newport and follow to the end (just past the Road Department Building). Turn left onto Anthony Road. Watch for signs; the Fire House will be on the left.
- If you get lost call (908) 537-2838.

### **Retirement Breakfast for Victor Hoffman Jr. - January 11**

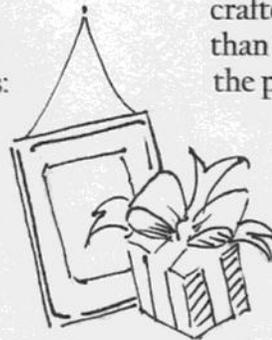

After 35 years of service, Victor Hoffman, Jr. will be retiring from the Glen Gardner Post Office on January 2, 2011. Please join us at the Lebanon Township Pancake Breakfast at Station One on Anthony Road on Sunday, January 9, from 8:00 to 11:30 AM, to wish Victor the best in his retirement.

# *Environmental & Open Space Commission*

## **LEBANON TOWNSHIP AWARDED FEDERAL RECREATIONAL TRAILS PROGRAM GRANT**

In late September, the Federal Highway Administration approved Lebanon Township's application for a \$22,050.00 grant to establish an unpaved trail system on open space property situated on Woodglen Road. The subject 25-acre lot, frequently referred to as the Goracy tract, was acquired jointly by the Township of Lebanon and the New Jersey Water Supply Authority in 2004, and once served as right-of-way land for underground piping operated by the Tidewater Oil Company. The federal funds, which are administered by the New Jersey Department of Environmental Protection's Office of Natural Lands Management, will be used to improve public access to this existing public open space, and will provide additional passive recreational opportunities to all township residents.

As part of a long-term program to expand and further connect the trail system in Hunterdon County, the Hunterdon County Department of Parks and Recreation acquired Miquin Woods Park, which abuts the west end of the Goracy tract. The proposed trail development project on the Goracy tract will connect to the Miquin Woods trail system and help to enhance the existing trail system within Lebanon Township.

The anticipated trail improvement project includes: improvement of a small trailhead parking access area near Woodglen Road; improving an existing open right-of-way pathway with conversion to a useable walking trail that will connect with the trail system within Miquin Woods, and that further connects to a larger trail system within Hunterdon County; construction of new trail loops around the perimeter of the land parcel that will connect back to the right-of-way trail; and, installation of trailhead signage as well as trail markers along the trails. The trails will be available for various recreational uses, such as walking, hiking, horseback riding, cross-country skiing, snowshoeing, bird watching, and nature observation.

Lebanon Township's Environmental and Open Space Commission (EOSC) will manage the project and will utilize

volunteer groups, township resources and outside contractors to complete the trail project over a three year period. If you are interested in volunteering in this community project, or would like more information, please feel free to attend an EOSC meeting. EOSC meetings are held at the municipal building every third Monday of the month at 7:00 PM.

A view of a portion of the Goracy Tract on which an unpaved trail system will be developed.

# Recycling

## Township Depot Continues

The Township Recycling Depot is held on the **third Saturday of each month** from 8:30 AM to 11:30 AM behind the First Aid Squad and Municipal Buildings, 530 West Hill Road. Containers (aluminum, bi-metal, glass, and #1 and #2 plastics) can be commingled. Cardboard, newspapers and junk mail/magazines should be bundled and tied separately. Household batteries can also be dropped off. Please observe the rules - we're getting a lot of plastic that is not #1 or #2.

Lithium Ion (Li-ion), Nickel Zinc (Ni-Zn), and Small Sealed Lead (pb).

Cell phones can also be recycled at the Municipal Building. Place them in the same drop box as the rechargeable batteries. We accept any size, make, model, digital or analog, with or without batteries. Cell phone accessories are not accepted.

## Battery and Cell Phone Recycling

Rechargeable batteries can now be recycled at the Lebanon Township Municipal Building. A drop box is located in the Administrative Office lobby. Rechargeable batteries include Nickel Cadmium (Ni-Cd), Nickel Metal Hydride (Ni-MH),

## County Recycling Programs

For information on county recycling programs, please visit the Hunterdon County Utilities Authority's Division of Solid Waste and Recycling webpage at <http://co.hunterdon.nj.us/solidwaste.htm>.

## *Bunnvale Library*

### THE BUNNVALE BEAT

By now, with your holiday season preparations in full swing, Bunnvale Library is once again the place to find new recipes, decorating tips and gift suggestions. While you scan the internet or pore through magazines and books for these ideas, don't forget to pick up books and DVDs to entertain the rest of the family as you create special holiday memories for them to enjoy. Are you on the reserve list yet for new DVDs *Toy Story 3*, *Iron Man 2*, or *Eclipse*, or Anita Shreve's latest novel, *Rescue*? How about Mordecai Gerstein's cleverly-named children's book, *A Book*?

Come on in from the winter weather to see what's new in our Anne Rambo display cabinet. During the month of December, Genevieve Sliker's collection of snowmen and snowpeople, will delight all ages. January features one-of-a-kind works from the Common Threads Quilting group, arranged by Irene Lightcap. In February, we will display artwork, essays, photos, sculpture, etc., from our young patrons, ages 1-12, as part of a "What We Love about Our Library" contest.

So many patrons tell us how much they love Bunnvale Library. The building itself has a rich history integral to the community. From its first inception as a school to its current incarnation as a library, the small red structure draws people from far and near. The staff often reminisce with visitors who used to attend school here, lived in the township or knew someone from the area. Keep in mind that we are available for school, club or special organization tours. Every fall, for example, the Lebanon Township Tiger Scouts visit us as part of their "go-see" agenda.

Appreciative as we are of our history, we also recognize the need to look ahead and grow. In response to patron suggestions, some of the exciting changes coming in 2011 include the formation of a Book Club for adult readers, more displays created by schoolchildren, and lists of staff recommendations of favorite authors, books, audio-books, and DVDs.

Another significant change is behind the scenes: the resignation of Elaine Wright, longtime member of the Bunnvale Library Committee. We are grateful to Elaine for her dedication and service to the library for more than 20 years, and wish her all the best in retirement.

One unchanging feature is Story Time for preschoolers ages 2-5. The Winter Session begins January 7 and will continue to be held on Fridays from 1:15-2:00 PM. Registration is required. Information will be available at the library and on our township webpage at [www.lebanontownship.net/services/library.aspx](http://www.lebanontownship.net/services/library.aspx)

Bunnvale Library is here for **you**. Along with all of the above, we have magazines, a book sale cart, a free paperback exchange, free internet and WiFi access, and copy and fax machines. Please do not hesitate to let us know how we can better serve you. We are always interested in hearing your ideas and suggestions.

## *Education*

### **Education Foundation's Enrichment Grant Program Providing Equipment for Township Schools**

Lebanon Township's Enrichment Grant Program is an on-line wish list which gives township educators the chance to buy special equipment for the district's classrooms. All purchases made are outside the scope of the regular school budget. Donors from the community give money directly through a special website, shortening and simplifying the traditional grant process. The Grant Program, managed by the non-profit Lebanon Township Education Foundation, has funded 17 projects to date, totaling over \$22,000.

Donors log on to the Education Foundation website at [www.ltefuture.org](http://www.ltefuture.org) and click on the Enrichment Grant tab at the top of the page. On the Enrichment Grant page, visitors can view all the grants in need of funding, listed by school. Each project

listing includes a full description of what the item is and how it will benefit students. In addition, the Grant page has a "fully funded" link, which shows some of the recently purchased equipment.

Anyone can donate directly through the Foundation's website via Paypal, giving as much or as little as they'd like. All donations are tax-deductible.

### **North Hunterdon-Voorhees High School Newsletters Now Electronic Only**

In an effort to conserve costs, the North Hunterdon-Voorhees High School District will no longer mail quarterly newsletters to residents. Instead, all newsletters will be posted on the district website. A link to the newsletters can be found on the Lebanon Township website at [www.lebanontownship.net](http://www.lebanontownship.net) under Education.

#### **Lebanon Township Education Foundation's Enrichment Grant Program**

*RIGHT NOW*, there are 4 exciting grants waiting for your support:

- **New risers for Valley View choral concerts**
- **Printing costs for the SPARK 4th grade literary magazine**
- **2 ELMO presenters for 7th and 8th grades**
- **An iMac for the Woodglen library**

To help our teachers offer these exciting technologies in their classrooms, visit:  
[www.ltefuture.org](http://www.ltefuture.org), and click on Enrichment Grants

**We need YOUR support, please donate now!**

All donations are tax deductible

## Community News

### Bed Bugs in your Home?

Due to the recent outbreak of bed bugs, Taighe Rainey of the Hunterdon County Health Department is offering assistance to anyone who suspects they may have a problem. According to Taighe, the most effective way to rid your home of bed bugs is to steam clean. Insecticides tend to push the bugs into other areas of the home, only to have them appear again later on. For assistance or answers to your questions, please contact Taighe at (908) 788-1351.

### Neighborhood Ski Group Welcomes Skiers & Boarders

The NEIGHBORHOOD SKI GROUP is gathering for its FOURTH season. This is a Six-trip Prepaid Group Package at Shawnee Mountain, created for residents of the township, as well as their friends and families. Everyone is welcome.

The club skis and snowboards on Sundays, from 1:00 PM until closing, beginning January 9, 2011. All packages are customized to your personal needs, and include any combination of Lift Tickets, Rentals and Lessons. Holiday Blackout days and two make-ups per person give flexibility to those skiing other locations during the season.

New this year at Shawnee is a Quad Lift, speeding up the trip to the top of the slopes to under three minutes. Also, there is a new on-line EZ Sign-up for credit card payments. There are no meetings or additional fees.

For the last three years, the Neighborhood Ski Group has proven to be a great way for busy families to set aside and share quality time together, with the additional health benefits of being outdoors, laughing a lot, and enjoying the beauty of winter.

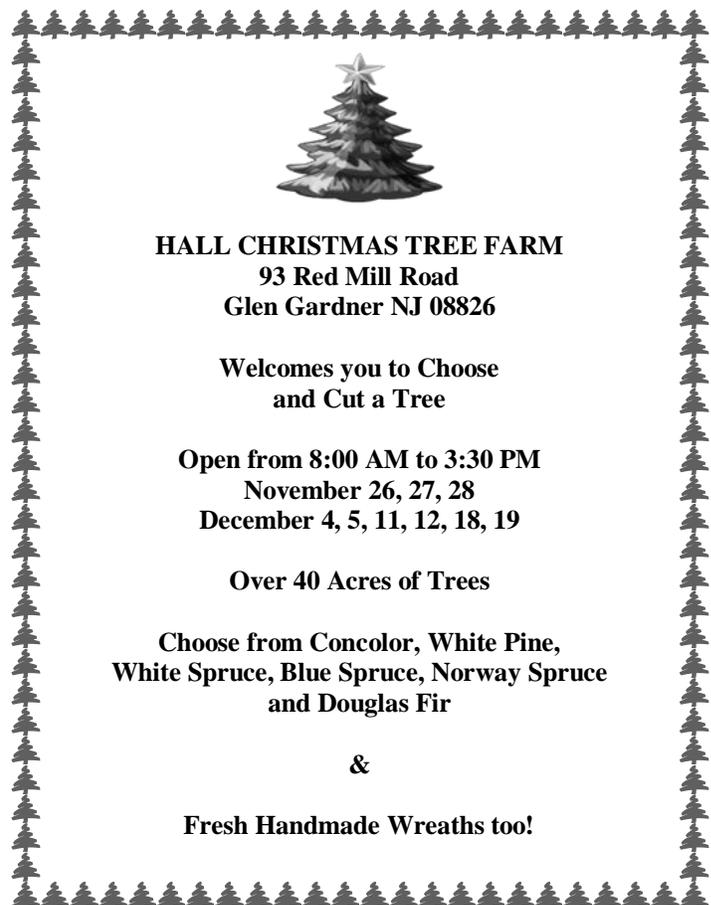

For additional information, please contact Shelly Baluta by email at rowanoliviasmsom@comcast.net or by telephone at (908) 537-2319.
