Remembering the September 11 Victims

The Richard Cudina Memorial Committee will hold a commemoration honoring the victims of the 9/11 terrorist attacks on September 11, 2011. On this, the tenth anniversary of the attacks, we will again gather at the Richard Cudina Memorial in Lebanon Township Memorial Park to remember, reflect and mourn those who did not come home that tragic day. We will have the opportunity to listen to speakers share their insight on this important day in our history.

The preliminary roster of attendees include our State Senator Mike Doherty, the Most Rev. Paul Bootkoski, Woodglen Principal Michael Rubright, the Hunterdon/Somerset Bagpipers, The Hunterdon Harmonizers, and Brianna and Brittany Hill.

3,000 small flags will again be placed in the field to represent the victims of 9/11 as well as six large American flags to honor our soldiers.

The committee invites everyone to join us around 3:45 PM in the park, located across the street from Woodglen Middle School, in Lebanon Township. For questions or further information, please contact Georgia Cudina at (908) 832-1005.

The 2012 Census of Governments is Fast Approaching

The Census of Governments begins in October of 2011 with the mailing of the Government Units Survey. This survey collects descriptive information on the basic characteristics of local governments in preparation for the 2012 Census of Governments. Data from this survey will also be used to produce the official count of local government units in the United States and to update and verify the mailing addresses of government units. In 2012, the Census Bureau will request data on the employment and finances of state and local governments.

Under Title 13, Section 161, the Census of Governments has been conducted for years ending in "2" and "7" since 1957. The Census of Governments provides the only source of comprehensive, uniform statistics on the economic activity of state and local governments, as it identifies the scope and nature of the Nation's state and local government sector; provides authoritative benchmark figures of public finance and public employment; classifies local government organizations, powers, and activities; and measures federal, state, and local fiscal relationships. Following the activity of governments over time tells the story of the fiscal condition of federal, state, and local government thus helping policy makers make informed decisions.

Data from the Census of Governments are used by the Bureau of Economic Analysis as input to the Gross Domestic Product (GDP) and the Federal Reserve Board as input to the Flow of Funds account. State and local governments use the data to develop programs and budgets, assess financial conditions, and perform comparative analysis.

The first data from the Census of Governments is scheduled for release beginning in August 2012 providing the number and types of government units by state. More comprehensive data will follow. If you have questions or would like further information on the Census of Governments, please call 1-800-242-2184 or email govs.cms.inquiry@census.gov. General information and data can also be obtained at www.census.gov/govs/.

Fire Department

Fire Department News

Members of the Lebanon Township Volunteer Fire Department (LTVFD) have been busy with fire and EMS calls as well as training, drills, and supporting community events. Our fall schedule is also expected to be busy with the addition of sports stand-bys at Voorhees High School, monthly Fire Department breakfasts beginning October 9, and more local events.

We currently have seven new members and four new junior members. This summer, five of our members attended the state's EMT-B course, and one member attended the Fire Academy's summer session. Five more of our members will be attending the state's EMT-B course in the fall.

Our junior firefighters have been meeting on Sundays with the Washington Township, Warren County junior firefighters for group training and drills. The juniors are learning some great skills, both individually and as a team, and are enjoying the social time afterwards which always includes some appreciated refreshments.

On July 16, we took delivery of our new 2012 Pierce Tender. Tender 19 is built on a Mack chassis and is one of the first designs Pierce manufactured with the pump in a compartment. The truck carries 3,000 gallons of water and is capable of pumping up to 1,000 gallons per minute. Lebanon Township is a rural community with limited water sources. Tender 19 will help get water on scene quickly to commence firefighting operations while other units are responding.

To learn more about the LTVFD and our activities, please visit our website at www.lebanontownshipfire.org. If you are interested in joining or have any questions about the Fire Department, please call us at (908) 537-2838 or email info@lftdnj.org.

Bunnvale Library

The Bunnvale Beat

Over the past few months, Bunnvale Library has been renovating the Children's Section. Patrons, we appreciate your patience during this time, and we hope you are pleased with the results. Thanks to the vision and planning of the Library Committee (Art Gerlich, Barbara O'Rourke, Eva Burrell, Georgia Cudina, Jan Gibas, and Melanie Ryan) for new shelving, furniture, carpeting and lighting, plus the tireless efforts of library staff and volunteers in reorganizing the inventory, the transformed downstairs area is again open for use. Some changes are also evident upstairs, where the adult and juvenile DVDs are located. Plans are being made for a formal Open House in October. Please visit the library for more information on the Open House.

Many thanks also to Greg Slomczewski, a Lebanon Township resident based at the county library, who again ran the successful Summer Story Time and Crafts for preschool and school-age children in July. Bunnvale's own Miss Eileen will return in September for Fall Story Time for preschoolers. Minimum age is two years old and preregistration is required. Ask for a schedule at the library or check the county library website.

Thanks to the generosity of talented community members, our Anne Rambo display cabinet features new exhibits every month of the year. Don't miss the exquisite artwork of Doris Terris in September. October will feature Science Fiction Superheroes and Aliens from the collection of Kara Martin. In November, in honor of our veterans, Ryan Flatley will display his collection of World War II memorabilia.

Bunnvale Library is here for you. We offer the latest best-sellers along with older favorites, in bound or audio versions, plus new and classic DVDs, magazines, and an information board announcing special events within the community. There are also books for sale, a paperback exchange, internet-accessible computers, WiFi, and copy and fax machines. If you have items you wish to donate to the library, please check with the staff to arrange a drop-off time. ***Please do not leave boxes or bags at the door or in the bookdrops.*** We appreciate contributions of books, periodicals, DVDs, audiobooks on CDs, or any relevant library materials that are in excellent condition. We cannot accept encyclopedias, reference/academic books, cassettes, VHS tapes, stuffed animals, toys or items that are mildewed, moldy, torn, or in otherwise poor condition.

Your library card can open doors to new worlds. Look for special discounts during the month of September when you present your library card at certain local businesses. Details are available at all Hunterdon County libraries.

Historians

From the Historians

In the last newsletter we asked if anyone remembered Butler Park. In response, a very nice couple, Ted and Joan Elder, came to a Historical Society meeting with pictures and stories about Butler Amusement Park. We learned about the skating rink, the shooting gallery and penny arcade. We saw pictures of the Robert E. Lee paddle boat filled with people cruising down the river. It sounded like a very exciting place to visit. We invite you to stop by the Lebanon Township Museum to see pictures of Butler Park and share your memories.

Do You Remember Bunnvale School? Did you go to Kindergarten at Bunnvale School?

Bunnvale School, which is now Bunnvale Library, housed many grades in one room and was originally in operation from 1915 to 1954. The school was reopened again for kindergartners from 1956 to 1958 and from 1961 to 1963. There are currently a few pictures of the school at Bunnvale Library.

The Historians would be interested in your stories and pictures of Bunnvale School. Please email us at LebanonTownHistSoc@gmail.com or drop a note off at the Museum.

PTA Gets Ready for Another School Year

The Lebanon Township PTA is gearing up for another year filled with wonderful opportunities and events for our children. These include dances, book fairs, author visits, family fun events, and much, much more.

There are various committees in need of chair people. These include, Cultural Arts at both Valley View and Woodglen, Election Awareness, Make it and Take It, Talent Show, Teacher Wish Fish, Welcome New Families, and the Hospitality Committee. The programs and events run by these committees cannot happen without the help of our volunteers. If you would like to volunteer or would like additional information, please contact Susan Kelly at susansean@comcast.net or Mo Mangione at momangi@gmail.com.

Our strength lies in our membership. Please consider joining the PTA today. For information on becoming a member, please contact Laura Wilhelms at wilhelms1@comcast.net.

For more information about the great things the PTA is doing for Lebanon Township children, please visit our website at www.lebtwppta.org. We are looking forward to a fabulous school year!

Box Tops and Labels for Education

The next time you make dinner, before you throw out that can or box, check if it has a Box Top Labels, Tyson Label or Label for Education Points! These labels are worth money to the Lebanon Township PTA.

Thanks to your efforts in clipping and collecting labels from the packaged food in your pantry, teachers at Valley View and Woodglen schools have been able to receive free supplies for their classrooms and fund programs for our children. Please continue to collect these points, and either mail to Valley View School, or drop the labels at Bunnvale Library or the Municipal Building. Additionally, you can register your ShopRite card on the Labels for Education website and the schools will automatically receive points when you purchase participating products.

If you have any questions, please feel free to contact Cindy Rupprecht, LTPTA Product Labels Committee Chair, at Greatandsmallshop@gmail.com.

Car and Truck Wash Held to Raise Funds for Yellowstone Trip

On Saturday, July 30, a group of Lebanon Township middle school students held a car and truck wash at the Sunoco Station at the corner of Rt. 513 and Bunnvale Road. The event was the first in a series of upcoming fundraisers being held to raise money for a summer 2012 trip to Yellowstone National Park.

The student trip is being run by Discovery Student Adventures. Deborah Szmajda, 6th grade science teacher at Woodglen School, teaches a unit on Yellowstone in her class, and will accompany the group on the trip. This trip is being offered outside the Lebanon Township School District and is open to Hunterdon County 5th through 8th graders.

Many thanks to the people and businesses throughout the community who helped make this first fundraiser a great success. Special thanks to Califon A&P for allowing the students to pre-sell tickets to the event in the store parking lot; Mark Salisbury, owner of the Sunoco Station, for the use of his lot; the Lebanon Township Fire Department for bringing their cars and a Fire Department vehicle in for a cleaning; and Solstice for bringing their company van and for their extra generous donation.

New Website Offers Hunterdon Bicycle Tourism Info

Hunterdon County is a premier destination for cyclists of all ages and skill levels. That is the message the non-profit organization HART Commuter Information Services wishes to convey through a newly developed website, www.bikehunterdon.org.

"BikeHunterdon.org is an opportunity for us to offer prospective visitors to Hunterdon County the information they may need to choose Hunterdon for their next bicycle destination", says Tara Shepherd, HART executive director. The website features maps of local bicycle tours including the popular Delaware & Raritan Tow Path, Last Covered Bridge and Round Valley Roundabout routes, as well as the Columbia Trail.

Visitors to the site will find a description of each ride and may click on a route to view full color photo galleries of what they may see along the ride. An interactive Google map feature allows potential riders to view amenities along the routes including restaurants, bed and breakfast and other lodging, as well as other points of interest.

A full list of local bicycle shops as well as where to rent a bicycle is also included. There is even a section to allow cyclists to leave feedback of their experience bicycling in Hunterdon.

HART Commuter Information Services is a private non-profit organization dedicated to promoting sustainable transportation such as bicycling. All HART programs and services are offered free of charge.

Open Cupboard Food Pantry Continues Assisting the Community

The Open Cupboard Food Pantry would like to thank the community for their ongoing support. Through the generosity of churches, organizations, schools, local businesses, and individuals, the Pantry provides food and personal items to over 400 people each month. Unemployment and higher prices for food and everyday necessities are forcing many more people to seek assistance.

All donations of non-perishable food and personal products are gratefully accepted. Items most needed at this time include beef, pea, and lentil soup; canned tuna, carrots, spinach, and potatoes; canned oranges, pineapple, pears, and applesauce; coffee, crackers, and sugar; dish detergent, laundry detergent, and toilet paper.

Items may be dropped off on Tuesday, Wednesday and Thursday mornings from 9:30 to 11:00 AM and Tuesday and Friday evenings from 4:30 to 6:30 PM or by special arrangement for food drives.

Open Cupboard's Thrift Shop helps to support the Pantry through its sales of clothing, household items and books. Proceeds are used to buy milk, eggs, cheese, and meat as well as basic groceries when needed.

The Pantry and Thrift Shop are located on Old Hwy 22 in Clinton, next to the Rite-Aid store. For information about donating or for receiving assistance, call (908) 730-7320, ext. 3.
