Spring 2010

March, April, May

## School Election Day

**Tuesday**  
**April 20, 2010**

Vote on the 2010-2011  
school budget and  
Board of Education  
candidates

Lebanon Township  
First Aid Squad  
528 West Hill Road

**Municipal Building**  
**530 West Hill Road**

### Hours:

Monday – Friday  
8:00 AM – 4:30 PM  
Closed 12:00 PM – 1:00 PM

## Recreation

### Easter Egg Hunt Saturday, March 27

Our annual Easter Egg Hunt will be held on **Saturday, March 27** at 2:00 PM at Memorial Park. The rain date is Sunday, March 28 at 2:00 PM. Games, the Egg Hunt and a Visit with the Easter Bunny will be available for children from pre-school through 6th grade. Prizes will be awarded to the children who find the “special” eggs. Children should bring a basket or bag to hold their eggs.

**The Egg Hunt begins promptly at 2:00 PM – please plan on arriving early!** In the event of inclement weather, please check the Township web site at [www.lebanontownship.net](http://www.lebanontownship.net) for rescheduling information.

## Environmental & Open Space Commission

### 2010 COMMUNITY WELL TESTING DAY

Have you had your well tested lately? Did you know that the Hunterdon County Health Department recommends that residents test their well-water annually? We know you are busy - so Lebanon Township has a convenient, low-cost solution for you! Lebanon Township Environmental & Open Space Commission (EOSC) sponsors a Community Well Testing Day every year through our partnership with the South Branch Watershed Association (SBWA). It's easy to participate, too!

Water sampling kits will be on sale at the Municipal Building on **Saturday, May 1** from 8:00 AM to 12:00 PM. You can drop off your completed water kit at the municipal building on **Monday, May 3** from 7:00 AM to 10:00 AM sharp. A member of the Lebanon Township EOSC will be available to transport the kits down to the lab pick-up point at the SBWA. The water testing is performed by Garden State Laboratories, a New Jersey certified laboratory. All test results are reported directly and confidentially to you, the resident.

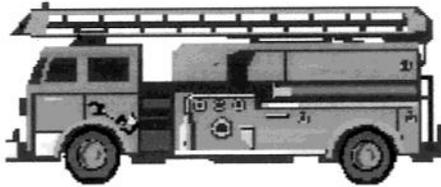

Basic kits are \$50 and include a fecal coliform and nitrate test. Additional tests are available for the following additional fees:

Lead	\$25.00
Iron	\$15.00
Manganese	\$15.00
Arsenic	\$35.00
Volatile Organics:	\$90.00
Pesticides:	\$130.00

Checks are to be made payable to the South Branch Watershed Association. Cash is acceptable, but please bring exact change. For more information on Well Test Day, please email the EOSC at [ltenv@lebtwp.net](mailto:ltenv@lebtwp.net), or call the SBWA at (908) 782-0422.

## Fire Department

### Pancake Breakfast

The Lebanon Township Fire Department has been holding Pancake Breakfasts for over thirty years. This great tradition is held from 8:00 to 11:30 AM every second Sunday from October until June, at Station One on Anthony Road. The cost is \$6.00 for adults and \$4.00 for children under 10. All money raised supports the Lebanon Township Fire Department.

Directions to Station One on Anthony Road:

- From the A&P in Califon, follow Sliker Road until it turns into Anthony Road (bear left onto Anthony). Follow Anthony Road. Watch for signs; the Fire House will be on the left.
- From Point Mountain or Route 31, take Musconetcong

River Road (Route 645) to Hollow Road. At the top of the hill, turn right onto Anthony Road. Watch for signs; the Fire House will be on the left.

- From the Municipal Building or Hill Road, follow Red Mill Road to Newport Road. Make a right onto Newport and follow to the end (just past the Road Department Building). Turn left onto Anthony Road. Watch for signs; the Fire House will be on the left.
- If you get lost call (908) 537-2838.

### Basic Training @ Minglewood Kennels

- basic obedience for dogs of all ages
- problem solving & behavior modification
- customized to fit your needs

Lebanon Township

**1.5 Private Acres ~ with Amazing Views!**

**Offered at \$525,000**

This custom-built Colonial boasts an incredible wrap-around porch with gazebo on 1.5 private acres. A slate walkway with lush landscaping off of the circular driveway leads to a welcoming covered front porch. Step inside to your ceramic tile foyer with French doors opening to the formal living room with a sliding glass door to the front porch and French door to the gazebo. The spectacular gazebo, with ceiling fan and lighting, is the perfect spot to relax or entertain as you take in the amazing view. The elegant dining room with pegged wood flooring and sliding glass door to front porch is also another great entertaining spot. Enjoy cooking in the large, eat-in kitchen which features an oversized center island, abundant wood cabinets, new decorative stainless steel backsplash, ceramic tile flooring, recessed lighting and pantry. The breakfast area has sliding glass doors to the private rear deck and is open to the sunken family room. This fantastic family room is enhanced by a fieldstone fireplace with new wood-burning insert, cathedral ceiling with skylights, ceiling fan and gorgeous chandelier, sunburst windows and slider to private rear deck. On the second level, the master bedroom retreat has French doors to balcony overlooking family room and a walk-in closet. The roomy master bath has a jacuzzi tub and stall shower. Spacious bedrooms have neutral carpeting, ceiling fans and ample closet space. A bonus feature of this home is the daylight, walk-out basement to slate patio area which adds living and entertaining space. Completely fenced, open, rear yard to enjoy. This peaceful location is good for commuting near Routes 31/22/78/57 and the train. Enjoy local shopping, dining, Lebanon's great schools and local parks.

## *First Aid Squad*

### **Annual Fund Drive**

We are in the process of mailing our annual fund drive letter. Thank you to everyone who supported us last year and thank you in advance for your continued support.

### **Used Clothing Collection**

We are making arrangements to have a collection bin from a major recycler placed behind the squad building. We will be collecting used clothing and shoes for the needy.

What a great time of year for this, with spring cleaning just around the corner. Please place your used clothing and shoes in the red, white and black bin behind the First Aid Squad. The recyclers will be collecting monthly.

### **New Vehicles**

We have two new support vehicles at the building now. The Squad retired three units in the past six months due to age and deteriorating conditions. The outfitting of the new units were done by our members to keep costs down. Painting and graphics were done by Mark of Roxbury Painting and Frank L. Thanks to both for their expertise.

### **Responding to Winter Weather**

During the winter months, the members of the Lebanon Township First Aid Squad would like you to stay safe. There are several things you can do to keep you and your loved ones from becoming a winter statistic.

Keep an eye on your local weather forecasts. When the forecast calls for severe winter weather, be sure to monitor your local radio, TV or NOAA Weather Radio stations for updated information. Listen for winter-related watches and warnings, and be ready to take action.

When the weather turns cold, make sure your vehicle's gas tank is kept full to prevent the freezing of gas lines. Also, propane and oil tanks used for power and heating should be kept stocked.

When a winter weather advisory is issued, weather conditions are expected to cause difficulty and might be dangerous. These situations should not become life-threatening as long as caution is taken. Become familiar with winter weather terminology and what it means.

When a winter storm watch is issued, severe winter conditions, such as heavy snow or ice, are possible within the next day or two. Prepare now. Make sure your disaster supply kits are fully stocked and that all vehicles are fueled up and winterized (with antifreeze, etc.). Be sure animals and livestock are in a warm, dry place.

When a winter storm warning is issued, severe winter conditions

have begun or are about to begin in your area. Stay indoors if possible. Travel only if absolutely necessary.

When a blizzard warning is issued, snow and strong winds will combine to produce a blinding snow with near zero visibility, deep drifts and life-threatening wind chill. Stay indoors if possible. Travel only if absolutely necessary.

Also be familiar with winter-related medical emergencies.

Frostbite is when body tissue freezes. Symptoms include loss of feeling in the extremity and a white or pale appearance. Fingers, toes, ears and the tip of the nose are most susceptible. Always dress appropriately. If you suspect frostbite, get medical attention immediately. Affected areas should never be re-warmed quickly with extreme heat.

Hypothermia occurs when the body's temperature falls below 95°F. Symptoms include uncontrollable shivering, memory loss, disorientation, incoherence, slurred speech, drowsiness and exhaustion. Always be sure to take breaks from outside activities when the temperature drops and do not fall asleep with your windows open. If you suspect hypothermia, get medical attention immediately. If you can't get help quickly, begin warming the body slowly. Warm the body first, not the extremities. Get the victim into dry clothing and wrap in a warm blanket covering the head and neck. Do not give the victim alcohol, drugs, coffee or any hot beverage or food. Warm broth and food is better.

By simply staying informed and calling for help when needed, you can ensure you and your loved ones have a safe winter.

Last year the members of the Lebanon Township First Aid Squad handled 533 calls in the community.

Please check out our website at [www.19rescue.org](http://www.19rescue.org) for announcements and upcoming events.

### **HAPPY FACE NURSERY SCHOOL**

## *Bunnvale Library*

### News from the Library

Brrr...it's cold outside! So bundle up, brave the elements, and come to toasty-warm Bunnvale Library to pick up best-sellers and classics in book, audio or video format, conduct research or surf the net on our patron computers, and meet/greet your neighbors. Planning a winter break getaway or dreaming of summer vacation? We have 2010 travel guides to assist you.

Speaking of heat, we are planning to replace the library's original furnace and upgrade the current heating system. This may necessitate closing off the downstairs area briefly. Once a work schedule has been established, our staff will notify patrons. Please be assured we will try to conduct these changes with minimal disruption or inconvenience. The dates will be announced through signs and flyers distributed at the library, and will also be posted on the Lebanon Township and Hunterdon County Library websites.

Looking ahead to spring, the 14<sup>th</sup> annual **Friends of Hunterdon County Library Book Sale** will take place **April 10-11** at the National Guard Armory on Route 12 in Flemington. Proceeds from the sale are shared with all of the libraries in the county system.

To the delight of both children and adults, our Anne Rambo

display cabinet continues to showcase unique collections from members of our community. In March, Linda Giorgianni will present her collection of teacups. April will feature Sue Clausen's gnomes. In May, the spotlight will be on Jeanette Sliker's exhibit of Raggedy Ann and Andy.

Story Time for preschoolers, ages 2-5, is held on Fridays from 1:15-2:00 PM. The spring session begins April 9 and continues through June 4. Pre-registration is required. Specific dates and complete information can be obtained at the library.

Bunnvale Library offers a diverse collection of fiction, nonfiction, audio-books, DVDs, periodicals, reference materials, wireless and internet access, copy and fax machines. We have a book sale cart and a paperback exchange. Let us know of any special requests, suggestions, or recommendations so we can better serve you.

In January 2010, we introduced new hours of operation. The feedback so far has been positive. Many patrons enjoy the earlier opening time of 9:00 A.M. Tell us what *you* think...

**HOURS: Wednesday 1:00 – 8:00 PM  
Thursday & Friday 9:00 AM – 5:00 PM  
Saturday, 9:00 AM – 2:00 PM**

### HAPPY VALENTINE'S DAY

Enjoy vintage valentines and spring greeting cards - a museum owned exhibit.

Feb & March

### CAST IRON & TIN TOYS

A collection of toys when batteries, solar and electricity were unheard of. Imagination and wind-up springs kept children amused for hours and there was still time to feed the chickens, milk the cows, hang up the laundry, and peel potatoes. Stop by and enjoy Wayne Gaydick's toy treasures.

April & May

### A DAY IN 1870

1870 school days, a fun time for school children who visit and enjoy reading, writing and arithmetic, a few crafts and lunch at their desks. Call for your class.

March, April, May

### ADULT SCHOOL HOUSE CRAFTS

We love keeping colonial crafts alive - our favorite teachers Cindy, Kay, Arminda and Sandy will be instructing us for another springtime session. Watch for our brochure and be ready to have some fun, laughs and learning, too.

April & May

Hours: Tuesday & Thursday 9:30 AM to 5:00 PM, Saturday 1:00 - 5:00 PM

The museum is supported by the Township of Lebanon under the guidance of the Township Historians and the general operating grants of the Hunterdon County Cultural and Heritage Commission.

#### VALUABLE REAL ESTATE FOR SALE 1841

*In consequence of the division of Lebanon Township, the Poor House Farm, belonging to the said township of Lebanon and the township of Clinton, will be offered for sale or Private Sale until Saturday the 20th day of November next. If not sold, it will be offered on that day at Public Sale on the premises, between the hours of twelve and three o'clock in the afternoon. Said farm is situated in the township of Lebanon aforesaid. Being the same property whereon William F. Fritts, Esq. formerly lived, lying within one mile of the village of New Hampton, adjoining lands of Jacob Martinas, John Fritts, and others, containing about One Hundred and Ninety Acres, all in a good state of cultivation, about twenty acres of which is woodland. The improvements on said farm are a large and convenient frame dwelling house and kitchen, a large new stone barn, wagon house, a large milk house and wash house, with a never failing spring of good water thereat, which extends and runs through the barn-yard at all seasons of the year. The farm is generally well watered. A sufficiency of almost all kinds of fruit trees. Terms of payment made easy. A further description of the premises is deemed unnecessary, as persons wishing to purchase will call and view for themselves. Persons desirous of viewing the premises, or for further information, will please call on the Steward living thereon, or either of the subscribers.*

DAVID NEIGHBOUR

*One of the Township Committee of Lebanon*

JOHN ROCKAFELLAR

*One of the Township Committee of Clinton*

*Dated August 17, 1841*

#### Historian Notes

As stated at the beginning of the advertisement, 1841 was the year that Clinton Township was set off from the Township of Lebanon. The Poor Farm was located in the remaining Lebanon Township. To settle accounts, the Poor Farm either had to be sold, or Lebanon Township had to pay one half of the value of the farm. I don't think the Township Committee of Lebanon wanted to buy half of the same farm again. Hence the farm was put up for sale. At a special town meeting held at the house of Peter C. Apgars at Whitehall (Woodglen), the following proposal was presented to the residents of Lebanon Township:

1. The Township Committee, or Directors of the Poor Farm, advertise the Poor Farm and stock, but not to sell unless a fair price could be received.
2. If the farm could not be sold, divide up the property.

3. To sell all the stock that was fit.
4. To leave all the property in the hands of the directors to dispose of as they thought best.
5. To raise the sum of \$600.00 by tax.

The final vote was to sell the farm and stock for the best price. There is no record of who purchased the farm and the sum received, although I find that a Peter F. Baylor owned the farm in the latter part of the 1800's. This farm today is in the Borough of Hampton.

This farm was the first to be purchased by the Township Committee to house the poor. In 1887 the Committee purchased a farm on Stern's Mt. (Mt. Kipp) for the poor, costing \$3,663.50 with 85 acres. This was purchased from the estate of John Banghati. In August 1902, the farm house burned to the ground. The Committee received \$1,195.60 in fire insurance, and sold the farm to the State of New Jersey for \$2,350.00. The State was buying land for the erection of the New Jersey Sanatorium for Tuberculosis.

In 1903, the Township Committee purchased the third and last Poor Farm, located on the south side of Hill Road and behind the Spruce Run Lutheran Church, consisting of 88 acres, costing \$3,226.00. This remained in the hands of the Township Committee until 1922. It was then sold for the sum of \$4,000.00.

Between township farms the poor were boarded out to Township residents who were paid a fee per week for keep.

# Solutions to Stormwater Pollution

## *Easy Things You Can Do Every Day To Protect Our Water*

### **A Guide to Healthy Habits for Cleaner Water**

**P**ollution on streets, parking lots and lawns is washed by rain into storm drains, then directly to our drinking water supplies and the ocean and lakes our children play in. Fertilizer, oil, pesticides, detergents, pet waste, grass clippings: You name it and it ends up in our water.

Stormwater pollution is one of New Jersey's greatest threats to clean and plentiful water, and that's why we're all doing something about it.

By sharing the responsibility and making small, easy changes in our daily lives, we can keep common pollutants out of stormwater. It all adds up to cleaner water, and it saves the high cost of cleaning up once it's dirty.

As part of New Jersey's initiative to keep our water clean and plentiful and to meet federal requirements, many municipalities and other public agencies including colleges and military bases must adopt ordinances or other rules prohibiting various activities that contribute to stormwater pollution. Breaking these rules can result in fines or other penalties.

**As a resident, business, or other member of the New Jersey community, it is important to know these easy things you can do every day to protect our water.**

### **Limit your use of fertilizers and pesticides**

- Do a soil test to see if you need a fertilizer.
- Do not apply fertilizers if heavy rain is predicted.
- Look into alternatives for pesticides.
- Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.
- If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it.

Make sure you properly store or discard any unused portions.

### **Properly use and dispose of hazardous products**

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain because storm drains are usually connected to local waterbodies and the water is not treated.

- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.
- Use natural or less toxic alternatives when possible.
- Recycle used motor oil.
- Contact your municipality, county or facility management office for the locations of hazardous-waste disposal facilities.

**Keep pollution out of storm drains**

- Municipalities and many other public agencies are required to mark certain storm drain inlets with messages reminding people that storm drains are connected to local waterbodies.

- Do not let sewage or other wastes flow into a stormwater system.

**Clean up after your pet**

- Many municipalities and public agencies must enact and enforce local pet-waste rules.
- An example is requiring pet owners or their keepers to pick up and properly dispose of pet waste dropped on public or other people's property.
- Make sure you know your town's or agency's requirements and comply with them. It's the law. And remember to:

- Use newspaper, bags or pooper-scoopers to pick up wastes.
- Dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

**Don't litter**

- Place litter in trash receptacles.
- Recycle. Recycle. Recycle.
- Participate in community cleanups.

**Dispose of yard waste properly**

- Keep leaves and grass out of storm drains.
- If your municipality or agency has yard waste collection rules, follow them.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.

## LTAA

### Baseball / T-Ball / Softball Registration

Yes, it's that time of year to sign up your young athletes for the 2010 LTAA T-Ball, Baseball and Softball season!

T-Ball is our introductory co-ed program for K-1 grades. Boys Baseball includes the Minors (grades 2-3), Majors (grades 4-5), Junior Travel (age 13) and Senior Travel (ages 14-16). Girls Softball includes Minors (grades 2-3) and Majors (grades 4-6).

The T-Ball/Baseball season starts April 12 and Softball begins April 20. Last games are on June 19, which also coincides with our grand end-of-season Picnic Extravaganza held at Califon Island Park.

The regular registration period ended February 28, but don't worry, it's not too late! Late Registration continues through April 12 for T-Ball and Baseball, and through April 20 for Softball. Registration must be completed online at [ltaa.sportsoffice.com](http://ltaa.sportsoffice.com). Please bookmark our website, as it will be used for announcements, such as exact field preparation dates and coaches meeting schedules.

We are in need of help with the field preparations planned for late March or early April at the ball fields at Califon Island Park and Woodglen and Valley View schools. If you are available, even if only for an hour, please come out and help! Any equipment you can bring, such as rakes, shovels, rollers, edgers or wheelbarrows, will be appreciated. Our greatest need is for heavy equipment, such as front-end loaders, drag rakes, and tractors to help spread clay across the infields.

If you have other questions, please contact Baseball Commissioner Greg Babineau at (908) 975-3070 or email [gregbabineau@gmail.com](mailto:gregbabineau@gmail.com), or Softball Commissioner Ken Steiner at (908) 832-6203 or email [kensteiner@comcast.net](mailto:kensteiner@comcast.net).

#### Help Still Needed!

We are currently in need of a Field Maintenance Coordinator/Commissioner. If interested, please email us at [ltaacentral@yahoo.com](mailto:ltaacentral@yahoo.com) or contact LTAA Board President, Jim Foran at (908) 835-9273.

## Recycling

### Township Depot Continues

The Township Recycling Depot is held on the **third Saturday of each month** from 8:30 AM to 11:30 AM behind the First Aid Squad and Municipal Buildings, 530 West Hill Road. Containers (aluminum, bi-metal, glass, and #1 and #2 plastics) can be commingled. Cardboard, newspapers and junk mail/magazines should be bundled and tied separately. Household batteries can also be dropped off. Please observe the rules - we're getting a lot of plastic that is not #1 or #2.

### Spring (Earth Day) litter clean-up

The spring litter clean-up is scheduled for **April 17 and 18**. Residents are encouraged to pick up litter along any road frontage. Bottles and cans should be recycled and any remaining litter can be left bagged along the road to be picked up by the township Road Department. Bags can be picked up at the recycling depot on April 17 or you can use your own trash bags. Please contact Jan Gibas at (908) 638-4784 or [jangibas@comcast.net](mailto:jangibas@comcast.net) if you have any questions.

### Computer/Electronics Recycling (including room air-conditioners and fluorescent tubes/bulbs)

A computer/electronics recycling day is scheduled for Saturday, **May 8** between 9:00 AM and 12:00 Noon behind the First Aid Squad Building and the Municipal Building on Hill Road.

Computers and other electronic equipment including stereos, TVs, DVD players, VCRs, fax machines, scanners, keyboards and mice, monitors, printers, speakers, wire, and small appliances will be accepted. Room air conditioners and fluorescent tubes/bulbs will also be accepted. Please call Jan Gibas at (908) 638-4784 or email [jangibas@comcast.net](mailto:jangibas@comcast.net) for more information.

No large appliances, please.

### 2010 County Hazardous Waste & Electronic Collections

The Hunterdon County Utilities Authority has scheduled their 2010 Household Hazardous Waste and Electronics Collections. Household Hazardous Waste collections will be held on **March 13**, July 10, and November 13. Electronics collections will be held on **April 10** and October 9.

All collections are held at the Hunterdon County Complex, 314 State Route 12, Flemington, NJ.

Additional information for these events can be found on the Hunterdon County Utilities Authority website at <http://co.hunterdon.nj.us/solidwaste.htm>.

### Happy Start Scholarship

Happy Face Nursery School offers a financial-need-based scholarship for a 4 year old student wishing to attend nursery school at Happy Face. The Scholarship will award tuition of \$2,160, which covers the full 3-day tuition for our 4-year-old morning program, plus registration and incidental fees.

The scholarship recipient may enroll in the 4 PM program, or be eligible for the Fab 5s program upon teacher recommendation, however, any additional tuition or fees are not covered by the scholarship.

Applications, plus 2009 1040 tax form, must be received no later than April 15, 2010. Please call (908) 832-7510 for additional information.

### Interest Free Loans Available to Hunterdon County Residents for College Studies

The Hunterdon County Board of Agriculture administers the Clifford E. and Melda C. Snyder Scholarship Loan Fund. Mrs. Snyder was a teacher and her husband was a farmer and leader in the agricultural community for many years. Mrs. Snyder continued the family interest in agriculture until her death in 1987. The Loan Fund was established under the terms of her will to make interest free loans to students pursuing careers in agriculture and related fields such as agricultural research, food science and veterinary medicine. The minimum loan is \$2,000 per year. There is no set maximum loan amount.

Applicants must be high school graduates who resided in Hunterdon County for at least five years immediately prior to graduation. Recipients may be enrolled in a two or four year college or a vocational/technical institute anywhere in or outside the United States.

The Hunterdon County Board of Agriculture accepts applications and makes the loan award. Since 1998 the Board has awarded \$380,500 to forty-five students. The Bank of America Trust Department administers the Fund. Loan repayment begins after students have completed their course of study.

Applications are due by April 30, 2010 to be considered for loans for the school year beginning September 2010. Applications are available by writing to: Snyder Scholarship Fund, Hunterdon County Board of Agriculture, PO Box 2327, Flemington, NJ 08822 or by calling Mr. John Hargreaves, Executive Director at (908) 534-9236 or Judy Conard, Secretary at (908) 782-5473. Applications are also available on web sites maintained by Hunterdon County and individual high schools.

### Scout Pack 92 Pinewood Derby Race

It's one thing when a professional race car driver exceeds speeds of over 150 miles per hour - you expect that. It's entirely different when young scouts, working with their parents, guardians or relatives, create model cars that exceed that speed on a computerized test track. In fact, speeds over 170 miles per hour were reached at the recent Pinewood Derby held by Lebanon Township Pack 92 on January 23 at Valley View School. For those who have never seen the derby, a computerized test track is used. Cars are propelled down the track and their time and speed recorded. While the data will eventually yield a group of winners, the excitement in the room as car after car is tested is a major part of the joy of the day.

The Pinewood Derby began in 1953. An estimated 50 million girls and boys, along with fathers, mothers and grandparents, have built and raced pinewood derby cars. While little has changed in terms of the cars, much has changed in terms of how scores are recorded and kept, as well as the groups which compete in the program. The original Cub Scouts Pinewood Derby has been adopted by the Girl Scouts, Awana Grand Prix, Royal Rangers, Kub Kar Rally, Shape N Race Derby, Woodcar Independent Racing League (WIRL) as well as the US Military, corporations and many others to "promote relationships, craftsmanship and good sportsmanship through competition."

#### And the winners are ....
