Memorial Park

Family Beach Bash

**Friday, July 27
(Rain Date: Saturday, July 28)
Memorial Park**

The Lebanon Township Recreation Commission and Friends of Memorial Park are teaming up with Camp Bernie to bring you a fun-filled evening in the park. We'll have food, drinks, music, games, contests and more. And, as a special treat, **Camp Bernie will be showing a movie after dark!**

Watch for additional information on the township website at www.lebanontownship.net as the date gets closer. Come on out and enjoy some mid-summer fun with your friends and neighbors. See you there!

Sunday in the Park Car Show

The annual Sunday in the Park Car Show is an event township residents, as well as many car enthusiasts, look forward to attending each September. For the past seven years, the Spatz Family has dedicated their volunteer efforts to make the car show a great success, as well as a profitable fundraiser for the park. This very affordable event has managed to generate over \$60,000 since its inception. It has grown considerably since its first year, and has evolved into a renowned community day.

The success of the car show requires the efforts of many who work behind the scenes. However, without the car owners and spectators, the day would not be possible. The car show is a win-win situation for everyone, and it's a lot of fun. Watch for info on this year's show and come on out!!

Work Continues on the Upper Field

The upper field, the area behind the pavilion, is being expanded to accommodate the Voorhees soccer and lacrosse programs. This field work is being done by the Spatz Family. Once completed, the high school teams will have much needed additional fields on which to practice and compete. Many thanks to the Spatz Family for their continued support of the park's development!!

Fire Department

What we Did in 2006 / Life of a Volunteer Fire Fighter

In 2006 the Fire Department answered **180** calls to serve our community. Although some calls are as short as 30 minutes, other calls are as long as four to five hours.

This is where we spent most of our time:

<u>Type of Call</u>	<u>Number of Calls</u>
Structure Fires	7
Vehicle Fires	3
Brush Fires	15
EMS support	31
Hazardous Materials Calls	17
Service Calls	2
Good Intent / False Alarms	57
Other Calls	48

These calls do not include time spent on drills, trainings or meetings. So as you can see it takes a good deal of time to be a volunteer... I know my wife loves to hear the pager going off in the middle of the night! All of the members of the department would like to thank their families for understanding how much time we spend serving our community.

2006 Annual Fund Drive

The Fund Drive Committee would like to thank you for your support during our 2006 fund drive. While we understand that a dollar never seems to go as far as we would like it to, every donation counts.

Look for upcoming fundraising events. The Fire Department has applied for a raffle license to hold a cash raffle. All members will have tickets for sale and the drawing will be in November. More information to follow.

Thank you again,
Fund Drive Committee

Junior Fire Fighters Needed

If you have a son or daughter between the ages of 14 and 18 who might be interested in becoming a Junior Fire Fighter, we'd like to hear from you. We can explain more about the Lebanon Township Fire Department and the responsibilities of a Junior Fire Fighter. Perhaps this could become a career path for your child. For more information, please call Steve at (908) 537-4454, or send e-mail to smbisbee@comcast.net.

Pancake Breakfast

The Lebanon Township Fire Department has been holding Pancake Breakfasts for over thirty years. This great tradition is held from 8:00 AM to Noon every second Sunday from October until June, at Station One on Anthony Road. The cost is \$5.00 for adults and \$3.00 for children under 10. All money raised supports the Lebanon Township Fire Department.

Directions to Station One on Anthony Road:

- From the A&P in Califon, follow Slier Road until it turns into Anthony Road (bear left onto Anthony). Follow Anthony Road. Watch for signs; the Fire House will be on the left.
- From Point Mountain or Route 31, take Musconetcong River Road (Route 645) to Hollow Road. At the top of the hill, turn right onto Anthony Road. Watch for signs; the Fire House will be on the left.
- From the Municipal Building or Hill Road, follow Red Mill Road to Newport Road. Make a right onto Newport and follow to the end (just past the Road Department Building). Turn left onto Anthony Road. Watch for signs; the Fire House will be on the left.
- If you get lost call (908) 537-2838.

First Aid Squad

Lebanon Township First Aid Squad Answers The Call No Matter What Age

If you come to our monthly meetings the second Monday of the month at 7:30 PM in the Squad Building on West Hill Road, no matter what your age or background, don't be surprised if you fit right in. We are always looking for new faces to join the ranks. We are a diverse group of dedicated individuals concerned with providing free emergency services to our community.

We have a dynamic cadet program for young people up to 18 years old. Cadets get the benefit of learning discipline and responsibility. From the age of 16 on up, the cadets attend EMT school and respond under the supervision of a crew chief. They are expected to act in a professional manner and are valued members of the squad. Many cadets develop interests through the squad that continue on into their selected professional field.

Former cadet Tino DeSantis exemplifies our cadet program. He started out as a cadet when he was a student at Voorhees High School. He took the initiative and took on the technical aspect of operations for the squad. Before he left high school he was appointed to Technology Officer. He is continuing his interest in technology at college and continues to be a valued member of the squad. By using his work at the squad as a spring board, he has built up an impressive resume that will carry him into his professional life.

We also welcome retirees. Retirees are the backbone of our day crew and we could not operate without them. Bill Rauschenberger, 70, is a driver for the day crew. After being an elementary teacher for 36 years, he retired last June. He was looking for something to do in the community, when his daughter suggested that he try joining the local rescue squad. He agreed to be a driver. He now shares driving duties on the day crew with another retiree. A third retiree has taken the leap and become an EMT. He now heads up the day crew. They enjoy being active members of the community.

No matter what your age, the squad can use your skills and talent or help you develop them. Last year at this time, we had responded to 260 calls. This year that number keeps growing. The squad answers calls 24 hours a day, seven days a week. They also cover standbys at Voorhees High School and take requests for simple transports. Joining the squad has many other benefits, including tuition reimbursement, a pension plan and the camaraderie of working with a close group of people. For more information, visit www.19Rescue.org.

Police

Police Academy Welcomes High Bridge Youth

The Lebanon Township Police Academy has a proud 10 year history in the township, and this year they welcome High Bridge residents into the program. The Academy is open to children presently enrolled in 5th and 6th grade and residents of Lebanon Township or High Bridge. The Academy will run from June 25 through June 29.

The Junior Police Academy simulates a true police academy experience. Participants learn about many aspects of public service including police, fire and emergency services, and participate in many activities, including physical training and firearms.

This is a wonderful experience for our young people. The officers of the Lebanon Township and High Bridge Police Departments are looking forward to a challenging and exciting week with our local youth.

Recreation

Easter Egg Hunt

The Easter Egg Hunt was held on Saturday, March 31 at Memorial Park. It was a beautiful day! Children hunted for eggs, played games and visited with the Easter Bunny. A great time was had by all!

Summer Recreation

The Work-Family Connection will be running a seven week summer camp from June 25 to August 10 at Valley View School. A half day and full day program will be available for children entering grades K-8 in the fall. The response from last year's program was excellent and we are looking forward to having them return this year. Once again, a subsidy from the Township has reduced the registration rates for Lebanon Township children.

Theme weeks, field trips, swimming, nature, arts & crafts, food projects, games, team sports, drama, theatre and music are just some of the activities to look forward to. Optional, additional offerings include Basketball Camp, Instructional Swim Lessons and Wiz Kids Tutoring Club.

Registration is going on now! Information has been sent home in Valley View and Woodglen backpacks and through the school email chains. For additional information and to register, go to The Work-Family Connection web site at www.workfamily.org or call (908) 439-3387 x10.

Discount Amusement Park Tickets

Don't go to the Amusement Parks this summer without checking our ticket prices first! Once again, we've partnered with New Jersey Recreation and Parks Association to bring you discount tickets to local amusement parks. Tickets will be available for purchase in the Municipal Building throughout the summer. This year, we are offering tickets to the following Amusement Parks:

- Hersheypark, Hershey, PA
- Six Flags Great Adventure & Wild Safari, Jackson, NJ
- Sesame Place, Langhorne, PA
- Dorney Park & Wildwater Kingdom, Allentown, PA
- Morey's Piers, Wildwood, NJ
- Waterworld at Mountain Creek, Vernon, NJ
- Camelbeach, Tannersville, PA
- Philadelphia Zoo, Philadelphia, PA

Check the township website at www.lebanontownship.net for ticket prices and availability.

Please direct all admission questions for these tickets to the individual parks. We can only accept checks made payable to NJRPA – NO CASH PLEASE!

Historians

***A Look back at our Heritage ...
By Ralph Lomerson
Lebanon Township Historian***

A few excerpts from an 1858 diary of a teacher, Mr. Bruster, who taught at the Mt. Airy School in Lebanon Township. The school was located on Anthony Road.

Saturday May 29th, Attended exhibition at Antoine town (Antony) again this evening and played with the band on my accordion. A teacher from the Puddle district school played on the violin and sang some comic songs.

Friday July 2nd, Have promised my scholars a pic-nic tomorrow in the woods and they have been crazy during the week in anticipation of it.

Saturday July 3rd, Pic-nic came off this afternoon but the pleasure was destroyed by a heavy shower coming on about 2 hours after we got to our rendezvous so that we had to quit the ground abruptly for the shelter of a neighboring barn, but after the shower we returned to the place again, and although somewhat dampened, we took our afternoon's sport out and retired pretty well satisfied; there was quite a large attendance of parents and others, and a wish was expressed that I would get up another for the larger girls and boys. Our amusements consisted of Swings, Driving Barrows blind folded, Jumping for candies tied to a rope, Scrambling Peanuts, Etc.

Sunday July 4th, Attended Church in the morning, had a fourth of July Sermon but not on the usual principals of abusing the English, as he always speaks very highly of them.

Saturday August 14th, Since my school pic-nic a number of persons have been wanting me to get one up for the people at large which I have agreed to do.

Monday August 16th, Went to Antoine town this evening to engage some musicians for the pic-nic.

Saturday August 21st, Went by New Jersey Central Railroad to Easton, Pa. to purchase supplies for the pic-nic. Engaged 50 Dozen bottles of Sarsaparilla and Beer, 50 lbs. of candies, 5 bushels of peanuts, Etc.

Saturday August 28th, It rained at intervals during the morning and was expected to be stormy all day, but at 12 o'clock cleared up and the people began to assemble for the pic-nic in C. Forces woods, and it has ended I believe to the satisfaction of all. It has been the largest one ever held anywhere near here. The afternoon was fine, but had a heavy shower between 8 & 9 o' clock, which made me wet through and about 40 others that had not gone home; The Antoine town band attended and enlivened the woods with their music and Mr. J. Fritts sang some songs and fiddled for the dancers. I had up 8 swings, 5

sets of quoits; and 260 feet of tabling for the eatables.

Tuesday December 7th, Had some difficulty with one of the larger scholars today (disobedient & Saucy) which resulted in my putting him out of school and giving him a caning into the bargain. He was a son of one of the trustees, and the spiteful one at that, so he paid me a visit tonight, blackguarded considerable, and left saying I should be turned out of the school tomorrow.

Wednesday December 8th, About 1/2 hour before I closed school this afternoon along came the three trustees, entered the school house and seated themselves. When the school was dismissed, we talked the matter over. Some of the talk consisted in John Crivling (the offended trustee) asking me to go outside to fight him, which I politely declined by telling him if I dirtied my hands on him I should certainly be too dirty to teach school; he also said it was his wish to have me turned out of the school, but as neither of the other trustees thought that I had done anything wrong, but had acted just as I ought to have acted in the matter, and as I was willing to admit him again on promise of good behavior; he was advised to go home and give his son some advice on being civil to his teacher.

Wednesday December 22nd, Attended a call for teachers meeting at Whitehall this evening for the purpose of forming a township teachers association. 3 teachers attended, and a meeting was made up by the inhabitants of the vicinity. Mr. Skinner of Spruce Run School was appointed chairman, and I was called upon to give my ideas on the mode of teaching children to read. Mr. Skinner was called upon for his arithmetic, and he called on Mr. Rood of Whitehall school on the same subject and asked him to go to the blackboard and perform an addition sum in Roman Figures which he did correctly. I then gave them a blackboard exercise on teaching numeration and rapid addition; I was then requested to draw up a constitution, and submit it to the next meeting to be held on this day in two weeks

Saturday Jan. 29, 1859, Have this day brought my school teaching to a close and presented the most worthy scholars with a prize each. 1st. George Fritts; 2nd. William Prall; 3rd. David Hill; 4th. Mary Nulter; 5th. Jane Fritts; 6th. John Hazzlet; 7th. Jacob Crivling; 8th. Susan Castner; 9th. Thomas Force; 10th. Joseph Apgar; 11th. Isaiah Bryan; 12th. Martin Force; Some of course are glad that I leave and some went home crying on account of my going away.

TIDEWATER PIPE LINE, LTD.

A Documentary By Ralph Lomerson

Your Historian is on an exciting adventure. Since last fall and through the past winter, I have been working with a German Film Company, Engst Film GmbH, of Koeln, Germany. We are doing a Documentary of the old Tide Water Pipe Co., the first interstate crude oil pipe line in the world. The pipe line company was formed in 1874, with construction beginning in 1878. It ran between Rixford, PA. to Bayonne, N.J., running through Lebanon Township, with a pumping station located at Changewater, N. J.

I have been sending history, pictures and other information to Germany. The film company is coming to this country sometime in July to film the collection of tools I have collected, and to film some sites along the rite of way in Pennsylvania.

When completed, this will be aired on the Discovery Channel sometime this fall. I will keep you informed, when the time comes.

For the last 28 years, Hayth's Preschool has been providing exceptional child-centered programs that are structured around the individual needs of each child. It is a place where wonderful memories are made.

Bunnvale Library

Visit your Library Online

Many Hunterdon County residents have seen how easy it is to use the county library's new online system by visiting www.hclibrary.us. The system allows you to search for items, renew items you've already borrowed, and place hold requests. Materials can be ordered from other county library branches and sent to Bunnvale for your convenient pick up. You can receive a phone call or email message when your items have arrived and are ready for pick up. You can also view the items you have checked out and the dates they are due back. We've seen usage increase dramatically, which proves people like saving time and money, especially on gasoline.

Frequently Asked Questions

(Q) Is Bunnvale Library part of the Hunterdon County Library system?

(A) Yes, we are.

(Q) Can library materials be returned to a different location than they were checked out of?

(A) Yes. Materials checked out of any branch of the county library system, can be returned to any other branch of the county library system.

(Q) Can DVDs, videos and music CDs be put into the book drop outside the front door?

(A) Yes. If the cover is loose, we ask that you please put a rubber band around the item before putting it into the book drop. With warmer weather on the way, please also be careful not to leave these items in your hot car.

Education

Lebanon Township Education Foundation

Dear Township Residents:

If you are interested in making a positive impact on the quality of life in Lebanon Township, please consider joining the Lebanon Township Education Foundation (LTEF).

The LTEF is a not-for-profit organization that was formed within the last year by a group of township parents concerned about education in this community and the funding constraints faced by township schools. The LTEF is dedicated to the enrichment of educational opportunities for all residents of Lebanon Township. Its primary goal is to develop a partnership between township residents and the schools to shape the vision of Lebanon Township as a community that values lifelong education. Towards this end, the LTEF plans to raise funds to provide adult evening education programs, senior citizen classes, mini-grants for specific classroom and staff needs in our schools, and for improvements to school facilities.

Our first major fundraising effort was a very successful charity golf outing, which took place at the Stanton Ridge Country Club on October 30, 2006. This event, called the "Touched by the Cause" Golf Invitational, was held in the memory of Jess A. and Lisa Marie Bennett Vreeland, who tragically lost their lives in a motorcycle accident in March, 2006. Their three children are students at Valley View School and live in Lebanon Township with their grandparents.

The golf outing raised over \$17,000. Half of the proceeds were donated directly to The Vreeland Children Education Fund, which was set up to help support the childrens' future educational pursuits. The other half goes to the Lebanon Township Education Fund to support educational programs in the Vreelands' memory.

The LTEF is also spearheading the effort to update the outdoor play equipment at Valley View Elementary School and Woodglen Middle School. Plans at Valley View include an entirely new play system for pre-school and grade-school children, while Woodglen will receive a fun fitness course that is appropriate for middle school students. This campaign received a jump-start with a generous donation of \$5,000 from the Lebanon Township PTA, and will continue to seek support through community fundraising events, contributions and grants.

The LTEF is currently comprised of a small but dedicated group of township residents. If you are interested in lending your ideas, creativity and/or organizational skills to our cause, we look forward to welcoming you to the group. Specifically, we are in need of new members to assist in the coordination of our Adult and Senior Citizen Educational Programs, as well as someone to take on the role of Web-site Coordinator. If interested, please contact us at (908) 849-7913, or

walshtrips@comcast.net. You can also access our web site at www.LTEFuture.org.

Summer Sports Programs Offered by the Woodglen Booster Club

The Woodglen Booster Club is a non-profit organization whose mission is to conduct fundraising activities and boost morale for the Woodglen Middle School's Interscholastic sports programs. All proceeds are used to supplement the needs of Woodglen School's interscholastic soccer, field hockey, basketball, softball and baseball.

The Booster Club, in conjunction with the US Sports Institute, will offer two sports camps this summer at Memorial Park. Both camps will run the week of July 23 - 27.

A Multi Sports camp will be held for children ages 5 - 7 and 7 - 14. Participants will experience over 15 different sports from around the world. All activities will take place in an atmosphere which promotes good sportsmanship, teamwork and most of all fun. Campers will receive technical instruction in each sport, then experience the sport in a realistic game situation. Campers will receive a t-shirt and certificate.

A Sport Squirts camp will be held for children ages 3 - 5. Campers will be introduced to a variety of sports such as Soccer, T-ball, Basketball and Hockey, in a safe, structured environment to ensure learning. Activities are designed to evoke a child's imagination in which they can find Nemo, send Shrek into a spin or capture Jellyfish with Sponge Bob Square Pants. All activities promote hand-eye coordination, movement and balance and most importantly fun.

For more information or to register for these camps, please visit the township website at www.lebanontownship.net, and click on the Education link.

**Congratulations to all of Lebanon Township's
2007 Graduates!**

**And our best wishes for your continued
successes.**

All proceeds go to projects and grants which benefit people of all ages in Clinton and surrounding areas of Hunterdon County.

The Clinton Sunrise Rotary Club meets every Thursday at 7:30 AM at the Holiday Inn in Clinton. Please join us for a meeting. Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, and help to build goodwill and peace in the world. There are approximately 1.2 million Rotarians who are members of more than 31,000 Rotary clubs in more than 165 countries.
