**APPLICATION FOR THE CONSTRUCTION OF A DRIVEWAY
WHICH WILL ENTER A TOWNSHIP ROAD**

Permits must be obtained before construction begins.

If your construction site enters on a County Road, permit must be obtained from
the Hunterdon County Road Department or Engineering Department.

Permit Fee \$25.00

Date: _____

Block: _____ Lot: _____

Applicant: _____

Address: _____

Phone #: _____ Email: _____

Street Name & # on Which the Driveway will Enter: _____

Use of Driveway (Residential, Commercial, Other): _____

Date Work will be Complete by: _____

As per Ordinance No. 11-1986, a driveway consisting of a base layer of stone must be installed before construction can begin. No footing inspections will be made before the base layer is in and no final Certificate of Occupancy will be issued until the driveway is paved for the required twenty-five feet and all conditions of the Ordinance have been met. You must submit a sketch showing the proposed location, grade and piping if any.
