Before submitting bids, the bidder shall apply in writing to the Purchasing Agent for clarification or interpretation of any conflicting information between two or more statements in the plans and specifications. Before submitting his/her bid, each Bidder will, at his own expense, make such additional surveys and investigations as he may deem necessary to determine his bid price for performance of the work within the terms of the contract documents.

The submission of a bid will constitute an incontrovertible representation of the Bidder that he/she has complied with every requirement of the examination of contract documents and site paragraphs.

WITHDRAWING BID: The Township reserves the right to reject any or all bids and to waive any minor informality in any bid should it be deemed in the best interest of the Township to do so. Bids may be rejected for any of the following reasons:

PROCEDURES ON AWARD OF CONTRACT:

THE TOWNSHIP RESERVES THE RIGHT TO REJECT ANY AND ALL BIDS, AND WAIVE ANY AND ALL INFORMALITIES, AND THE RIGHT TO DISREGARD ALL NONCONFORMING OR CONDITIONAL BIDS OR COUNTERPROPOSALS.

In evaluating bids, the Township shall consider the qualifications of the Bidders whether or not the bids comply with the prescribed requirements, and alternates and unit prices if requested in the Bid Forms. The Township may consider the qualifications and experience of subcontractors and other persons and organizations, including those who are to furnish the principal items of material or equipment proposed for the portions of the work as to which the identity of subcontractors and other persons and organizations must be submitted as specified in the Supplementary Conditions or Specifications, if any. The Township may conduct such investigations as it deems necessary to establish the responsibility, qualifications, and financial ability of the Bidders, subcontractors and other persons and organizations to do the work in accordance with the contract documents to the Township's satisfaction within the prescribed time. The Township reserves the right to reject the bid of any Bidder who does not pass any such evaluation to the Township's satisfaction.

If a contract is to be awarded, it will be awarded to the highest responsible bidder whose evaluation by the Township indicates to the Township that the award will be in the best interests of the project. The Township reserves the right to award the bid to more than one vendor when it is deemed to be in the best interest of the Township to do so.

If the contract is to be awarded, the Township will give the apparent successful Bidder a Notice of Award within 60 days after the day of the bid opening. The exception to this schedule would be in accordance with N.J.S.A 40A:11-24 which provides that "any bidders who consent thereto may, at the request of the contracting unit, have their bids held for consideration for such longer period as may be agreed." All prospective bidders are advised of this schedule since all proposals must be firm when bid and must remain so for 60 days or such longer period as the Township and the bidders may agree.

Simultaneously, with delivery of the executed counterparts of the Agreement to the Township, contractor shall deliver to the Township the required contract security.

NOTIFICATION OF AWARD: Upon passage of a Township Committee Resolution awarding the contract, the Municipal Clerk will forward three (3) sets of contract documents to the successful bidder for execution and delivery. Within ten (10) days of the date of the award of the contract, the successful bidder shall return all (3) sets of the contract documents to the Municipal Clerk with a proper performance bond and requisite insurance certificates attached if required - refer to Checklist of Required Documents. On receipt of the contract documents duly executed by the bidder, the contract documents will be submitted to the Township Attorney for review and approval.

If approved as to form and execution, the contract documents will then be submitted to the Mayor and Municipal Clerk for execution on behalf of the Township. A fully executed copy will then be returned to the successful bidder by the Municipal Clerk. No Resolution of Award will become

binding on the Township at any time before the contract documents have been executed by the Mayor and Municipal Clerk.

Should any successful bidder, upon being notified, fail to execute a contract with ten (10) days of such notification with the Township of Lebanon, the Township will be free to award the contract to another bidder, and the Township shall have the right to proceed against the guaranty accompanying the bid.

EQUAL OR TIE BIDS: The Township of Lebanon reserves the right to award, in its discretion, to any of the tie bidders which serves the best interest of the Township with reference to the information submitted with the proposals.

ASSIGNING THE CONTRACT: The contract shall not be sublet, assigned, pledged, hypothecated or sold, in whole or in part, without the written permission of the Township.

SUBMISSION OF BIDS: Bids shall be submitted at the time and place indicated in the advertisement and Notice to Bidders and shall be included in a sealed envelope, marked with the project title and name and address of the bidder and accompanied by the Bid Security and other required documents.

MODIFICATION AND WITHDRAWAL OF BIDS: Bids may be modified or withdrawn by appropriate document duly executed (in the manner that a bid must be executed) and delivered to the place where bids are to be submitted at any time prior to the opening of bids.

OPENING OF BIDS: Bids will be opened as indicated in the advertisement and Notice to Bidders.

BIDS TO REMAIN OPEN: All bids shall remain open until such time as the Township has entered into a contract with the successful low bidder, or a period not to exceed sixty (60) days after the day of the bid opening. The Township, in its sole discretion, may release any bid and return the Bid Security prior to that date.

Bid Security in the form of certified or cashier's checks will be returned to all, except the three apparent highest bidders within ten working days after the opening of bids, and to the three highest bidders, within three working days after the accepted bidder has executed the contract. If no contract has been executed within sixty (60) days after the opening of bids, the amount of his/her proposal guarantee will be returned upon the demand of any bidder, provided that he/she has not been notified of the acceptance of his/her bid.

PAYMENT ON CONTRACT: The contract price shall be payable either in one lump sum or as indicated in the Bid Specifications following satisfactory completion of the contract and presentation of a properly executed purchase voucher and the acceptance of the approving authority that the work has been completed to standards. Effective September 1, 2006, payment to contractors on construction-related contracts is subject to the Prompt Payment Law, NJSA 2A:30A-1 et seq..

The Contractor must certify, with a return receipt, the date they submitted a purchase voucher to the Township Finance Department. If the voucher is hand delivered by the Contractor, it must be left at the Finance Department only and the Contractor must receive a written sign-off from the Township employee accepting same.

Since these bills require Council approval to authorize payment, the timeline is delayed so that the bills may be reviewed at a public meeting within the twenty (20) calendar days after the purchase voucher submission.

If the purchase voucher or invoice is *approved* at the meeting, the bill must be paid within the payment cycle following the meeting. If a local unit fails to make timely payments, and does not notify the contractor in writing of the amount withheld and the reason, it will be subject to the provisions of N.J.S.A. 2A:30A-1 et seq.

If the work is *not approved and certified*, the contractor must be promptly given a written statement of the amount withheld and the reason. Failure of the Township to make a timely payment or provide a written reason for withholding payment will subject it to the provisions of N.J.S.A. 2A:30A-1 et seq.

If a dispute arises between the parties regarding bill payment, said dispute shall be submitted to some form of alternate dispute resolution.

INSURANCE: The Contractor will not be allowed to begin work under this contract until he has all insurance required under the contract documents and the insurance has been approved by the Township. The insurance required shall be maintained in full force and effect until all work to be performed under the terms of the contract is satisfactorily completed and accepted by the Township. The Contractor shall furnish the Township with satisfactory proof of carriage of the insurance required by submitting the original insurance policies and endorsement or properly executed conformed copies. Each insurance policy and endorsement shall contain undertaking by the insurance carrier not to cancel the policy except upon thirty (30) days notice to the Township. TRANSITIONAL PERIOD: In the event the services are terminated either by the contract expiration or by termination by the Township of Lebanon, it shall be incumbent upon the contractor to continue the service until new services can be completely operational. At no time shall this service extend more than 90 days beyond the expiration date of the existing contract. Vendors will be reimbursed for this service at the prior contract rate.

PROCEDURAL REQUIREMENTS AND AMENDMENTS: Should the contractor find at any time that existing conditions make modification in requirements desirable, he shall promptly report such matters for consideration and decision.

There may be a meeting with the successful contractor and the prior to the start of the contract. At this time the contractor will be required to submit a plan of operation to the using agency.

By submitting a proposal, the bidder covenants and agrees that he has satisfied himself from his own investigation of the conditions to be met, that he does not make any claim for, or have right to cancellation or relief because of any misunderstanding or lack of information.

NEW JERSEY EQUAL PAY ACT: On April 24, 2018, Governor Phil Murphy signed into law New Jersey's Diane B. Allen Equal Pay Act (P.L. 2018, c. 9). The law provides in pertinent part that as of July 1, 2022, any employer entering into a contract with the State of New Jersey or an instrumentality of the State for "qualifying services" or "public works" must provide to the Department of Labor and Workforce Development – upon commencement of the contract – wage and demographic data for all employees who are employed in connection with the contract (for public works) and for all employees (for qualifying services). This requirement DOES NOT apply to employers who are contracting with local governments (for example: municipalities and counties). The report must contain the gender, race, ethnicity, job category, compensation, and number of hours worked by each employee.

The extent of the Department of Labor and Workforce Development's responsibilities under the Equal Pay Act is the collection of data regarding compensation, hours worked, job/occupational category, job title, gender, race, and ethnicity for State contractors and making that data available to the Division on Civil Rights (DCR), within the Department of Law and Public Safety, and upon request to certain individuals. Complaints of unlawful discrimination under the Equal Pay Act should be directed to the DCR, as should any questions regarding the filing of such a complaint.

The Department of Labor and Workforce Development has issued two forms, as required by the law, to be completed by employers. The forms should be used to report the employee's wage and demographic data and can be found on the LWD website (<http://www.nj.gov/labor/equalpayact>). **A completed copy of the forms is not required at time of bid; however, it will be required of the bidder who receives the notice to proceed from the Township. Completed forms should be emailed to: equalpayact@dol.nj.gov**

**FOR MATERIALS BID F.O.B. PLANT, QUARRY OR DOCK LOWEST BID AND
AMOUNT OF AWARD – HOW DETERMINED**

**CONTRACT #2026-01: PURCHASE OF ASPHALT ROAD MATERIALS FOR
VARIOUS 2026 AND 2027 ROAD IMPROVEMENT PROJECTS**

The following elements will be considered and taken as constituent parts of each bid for materials F. O. B., Plant, Quarry or Dock and used in determining the quantities to be award and ultimately taken.

- A Price per ton as stated in the bid.
- B Hauling costs to the Municipality as determined by:
 - (1) distance computed at the rate of \$0.53 per ton for each mile over the route selected from the point of delivery of the materials as stated in the bid to the place of their intended use,
 - (2) traffic conditions,
 - (3) conditions of roads and bridges,
 - (4) accessibility to the bidder's place of delivery,
 - (5) service at the bidder's place of delivery.

THE QUANTITY AWARDED to each bidder in the first instance shall be determined by the lowest bid found by adding to the price per ton, as stated in the bid, the sum computed at the rate of \$0.25 per ton for each mile over the route selected from the point of delivery of the materials as stated in the bid, to the place of their intended use, which award nevertheless will be subject to be decreased to the extent that it appears to the Municipality that because of traffic conditions or conditions of roads and bridges, accessibility to bidder's place of delivery or poor service at bidder's place of delivery at the time the materials are needed for use, there will be a saving or advantage to the Municipality through purchasing the same from another bidder at its unit price bid.

If due to traffic conditions, conditions of roads or bridges, inaccessibility to bidder's place of delivery or poor service at bidder's place of delivery at the time the materials are needed for use it becomes disadvantageous to the Municipality to use any route selected, the Municipality may use another route and compute the bid and award decreasing or increasing the amounts to be taken from any bidder resulting from the new cost computation. Furthermore, unsatisfactory materials furnished by any bidder may at all times be rejected and replaced by materials from another bidder.
