

Lebanon Township and The Musconetcong
Watershed Association present

Rain Barrel Workshop

**October
17th**

| SATURDAY |

**From
10am-12pm**

Lebanon Township Memorial Park: 67 Bunnvale Rd, Califon, NJ 07830

You will learn:

- What a rain barrel is and how it works
- Where to place a rain barrel for maximum effectiveness
- How to construct your own rain barrel
- Hands on demonstrations and activities so that select attendees can walk away with a rain barrel ready to be installed on their property!

Register today by scanning
the QR code below!

Choose Your Registration Type:

Rain Barrel Participant

The first 15 eligible Lebanon Township residents who participate will receive a ready-to-install rain barrel to take home. (limited to one rain barrel per household)

Viewing Participant

Open to everyone. Attend the workshop and demonstrations to learn how to assemble, install, and maintain a rain barrel. Rain barrel not included.
